oste, Texas. 45-2t-pd.

We are pleased to acknowledge re-
ceipt of an invitation from Miss Bess
Brucks to attend the graduation ex-
ercises of the Texas State University
at the Texas Memorial Stadium, Aus-
tin, Texas, June 3, 1929. Miss Bess
will receive her Bachelor of Arts
Degree on this occasion from the
State University, and will resume her
position as teacher of history in our
High School this fall to which po-
sition she was elected last year and
granted a year's leave of absence to
complete the work for her degree.
This paper congratulates the young
lady on her success.

Mr. and Mrs. Jack Rollins and little
daughter, Jackie, are here from
Greenville visiting Mrs. Rollins' par-
ents, Mr. and Mrs. M. A. Chancey.
Mr. Rollins sustained an injury to
his thumb enroute here from Austin
which will make it a useless mem-
ber for several months. On entering
the train at Austin he undertook to
open a window and in some way the
glass broke and severed an artery in
his thumb.

Mrs. G. W. Gilliam, who, with her
two little daughters, was here vis-
iting her parents, Mr. and Mrs. Isaac
Wilson, left Saturday for San An-
tonio, where she joined her husband
in a trip to Dallas to attend the con-
vention of Rotarians. Mr. and Mrs.
Gilliam were delegates from the Ro-
tary Club of Corpus Christi.

Mr. and Mrs. R. J. Decker, Mr.
and Mrs. O. H. Miller and son, Bru,
and Mrs. R. J. Noonan and children
attended the baccalaureate service at
Our Lady of the Lake College in
San Antonio Sunday. Misses Adele
Decker and Helen Miller are among
those who will receive high school
diplomas.

Linton Barnes came up from Pear-
sall Wednesday for a short visit with
Mr. and Mrs. Theodore Barnes. He
was accompanied back to Pearlsall
by Misses Mary Lois and Evelyn
Barnes and Miss Pauline Murray, who
will spend the remainder of the week
there as the guests of Mrs. Velma
Barnes.

A letter to friends here brought
the news that a nine-pound boy was
born to Mr. and Mrs. H. E. Medlin
at the Kenny Hospital in San An-
tonio on May 21. Mr. and Mrs. Med-
lin are now making their home in
Sabinal but formerly lived here and
have many friends among our peo-
ple.

For sale, the Saathoff-Reitzer es-
tate, consisting of 200 acres of land,
90 in cultivation, 110 in pasture en-
closed by hog-proof fence, four-room
house, good out-houses, good well
with wind mill. For further informa-
tion address H. L. Saathoff, 721
Castro Street, San Antonio, Texas, 4t

Cards are out announcing the ap-
proaching marriage of Miss Evelyn
Wilson, daughter of Mr. and Mrs.
Isaac Wilson, to Mr. Earl Olin Lacy,
only son of Mr. and Mrs. O. E. Lacy.
The ceremony will take place at the
First Methodist Church on Monday
evening, June 3rd, at 5:30 o'clock

Miss Lillian Brucks attended the
"Home-Coming" of former students
of Our Lady of the Lake College in
San Antonio Sunday and Monday.
She was accompanied to the city by
Mrs. Fletcher Davis and daughter,
Lucy, who spent the week-end with
Mrs. Louis Scherrer.

When in need of our services,
don't fail to ring us. Whether at
home or Hospital, we can care for
your wants in a most acceptable man-
ner with the merchandise and equip-
ment we now have. Jno. A. Horger,
Funeral Director, Phone 75, Hondo,
Texas. 21-tf.

Mr. C. E. Fusselman and sister,
Mrs. Hettie McClendon, motored out
from San Antonio Wednesday even-
ing to spend Memorial Day with re-
latives. Mrs. Jim Fusselman, who had
been visiting her son and daughter
in San Antonio, came home with
them.

H. E. Haass, Attorney-at-Law,
Surveyor's Office, Courthouse, Hon-
do, Texas. All legal matters care-
fully attended to, in all courts of
Texas. Manager Medina County Ab-
stract Company. Road Maps of Me-
dina County, cloth, \$5. paper, \$3. 15

Bring your autos to me for re-
covering or repairing of tops, seat
covers, etc. I also repair shoes, and
guarantee satisfaction. Prices reas-
onable and work promptly done. El-
ton Breiten. 42-tf.

MISS EVELYN WILSON HONORED

Mesdames Geo. Gilliam of Corpus
Christi, Texas, Frank Schweers and
Henry McCall, entertained with an
enjoyable miscellaneous shower Sat-
urday afternoon in the home of Mrs.
McCall, complimenting Miss Evelyn
Wilson, a bride-elect of the near fu-
ture.

The guests upon entering the spa-
cious porch, registered in the "Bride's
Book" presided over by Miss Eliza-
beth Wilson, sister of the honoree,
and were received by the hostesses.

The home was summery in its de-
corations of shasta daisies and ferns,
carrying out a color scheme of green
and white throughout the home.

The bride-to-be becomingly gowned
in powder blue chiffon, entering
the living room to the strains of
Lohengrin's Wedding March, played
by Mrs. W. H. Smith, was escorted
to her throne of green and white,
by little Misses Mary Elizabeth Meyer
and Frances Ellen Woolls, who
wore dainty dresses of gold taffeta.

The following program was rendered:

1. Song, "Into the Dawn With
You," by Dorothy Lee—Mrs. R. W.
Gaines.

2. Song, "Carolina Moon," by Joe
Burke—Mrs. Horace Bradley.

3. Toast, "To Evelyn."

Here's to the dearest, the truest, the
best.

Her place in my heart is above the
rest.

She's pretty, she's smart, she's cute
and sweet,

She's honest and true, she's fair and
petite.

You think I'm praising her up to the
skies,

But just ask Earl if I've told any
lies.

We wish for you dear, both happi-
ness and health,

This you know is far better than all
wealth.

How great it will be to own a real
man,

To do everything for you that he can.
Never to teach school again in all
your life

But spend your time as a loving
house-wife.

What more can I say to you, lady
fair,

As we bring to you this treasure
chest rare?

It is not like the treasure chests of
old;

Filled with rare jewels, much silver
and gold.

But 'tis filled with real love and

friendship true

Portrayed by the gifts we bring now
to you.

—Lucille Newton.

4. Violin, "Venetian Love Song,"
by Toselli—Miss Irene Saathoff.

5. Trio, "You Were Meant for
Me," by Nacio Brown—Mrs. W. H.
Smith, Mrs. R. W. Gaines, Miss Irene
Saathoff. With Mrs. W. H. Smith as
accompanist. After which a treasure
chest containing many useful and at-
tractive gifts, was brought in by the
little escorts and presented to the
bride-elect, who in her usual charm-
ing manner, thanked her friends most
graciously.

Following the presentation of gifts,
brick ice cream, angel food cake and
mints, in the appointed color scheme,
was served to about seventy guests,
during which time Mrs. Geo. Gilliam
rendered several delightful piano
numbers.

Mr. and Mrs. Hy Hoef-
ling, Mrs. E. B. Earnest, Miss Mat-
drina Earnest and E. B. Earnest, Jr.,
all of San Antonio, were out to visit
August Hornung last Sunday, return-
ing the same day.

ST. PAUL'S LUTHERAN CHURCH NOTES.

Program for Sunday June 3:

Sunday School at 9:15.

English Service at 10:30.

Luther League Program at 8:15.

Mr. H. H. Ochs of San Antonio
will deliver a lecture as the main fea-
ture of the Luther League program.
Those who heard Mr. Ochs' com-
mencement address last year will
want to avail themselves of this op-
portunity of hearing him again. All
are cordially invited.

All are always welcome to worship
with us.

H. A. HEINEKE,
Pastor.

PLENTY (?) RAIN!

For the passed week it has rained
more or less every day and night,
at times the precipitation amounting
to a fair rain. It is still cloudy and
threatening rain, and strange as it
may sound, after the drouth of al-
most a year, people are beginning to
wish for sunshine.

Up to Thursday morning, the rain-
fall for May has aggregated 8.42
inches, most of it falling so as to
soak well into the ground. Water-
holes and tanks are filled and pros-
pects are now promising—a complete
transformation over a month ago
when crop prospects were almost nil.

FLOWER SHOW.

To Be Held At Chamber of Com-
merce Hall Tuesday, June 4th,
Beginning at 11 o'clock A. M.

To encourage and promote the
planting of more and better flower-
ing plants, thereby beautifying the
homes of Hondo, the Civic League is
sponsoring Hondo's first Flower
Show, which will be held at the
Chamber of Commerce Hall on Tues-
day, June 4th, beginning at eleven
o'clock.

In order to make this undertaking
a success the sponsors are urging all
who have pot plants and especially
cut flowers to enter them for ex-
hibition.

There will be no admission charg-
es and everyone is cordially invited
to the show.

Below we are giving a list of the
prizes donated by local firms and
individuals:

Donations for flower show: Carter
& Bader, \$5.00; Hondo Lumber Co.,

BENEDICT MANN DEAD.

Benedict Mann died at the home
of his sister, Mrs. Lyman Morris,
Sunday morning, May 26, 1929, at
4:30 o'clock. Funeral services were
held Monday morning, May 27th, at
9:00 o'clock. After a requiem High
Mass at St. John's the Evangelist
Catholic Church his remains were
laid to rest in the family plat in
the Hondo cemetery.

The deceased was born Septem-
ber 17, 1860, at Castroville. In 1882
the family moved to the lower Hon-
do, where he spent the remainder of
his life. He was engaged in stock-
farming all his life and acquired a
comfortable competency.

Mr. Mann was never married. His
parents have been dead for a num-
ber of years and his only surviving
relatives are three brothers—Louis
P. Mann, Gus R. Mann and Desra G.
Mann—and two sisters—Mrs. Ly-
man Morris and Mrs. Alois Hornung.

He was a quiet, unassuming man,
a good citizen and a faithful mem-
ber of his church. He enjoyed the
confidence and respect of all who
knew him.

A DEPLORABLE TRAGEDY.

Lonnie Knowles, Jr., an eight-year-
old colored boy, son of the janitor
at the public school here, was drown-
ed in an abandoned gravel pit in
the east part of town Sunday morn-
ing.

The unfortunate boy was playing
ball with other children in the nei-
ghborhood of the pit, which was par-
tially filled with water from the re-
cent rains. The ball rolled into the
water, the boy followed it and step-
ped into a hole where the water was
over his head and, being unable to
swim, was drowned.

His companions must have become
panic stricken, and either failed to
help him or give the alarm promptly,
as the body was in the water about
an hour before it was recovered.

Boy Scouts endeavored to render
first aid, and a physician did all he
could to restore respiration but all
efforts were in vain.

ANTI-BLUES CLUB.

Misses Thelma Lynch and Frances
Neuman entertained the A. B. C.'s
on Wednesday the twenty-ninth, at
the home of Mr. and Mrs. Harry
Crouch.

After several games of bridge, Mrs.
Wood Cameron received a yellow
handkerchief as high score, and Miss
Irene Schweers a miniature elephant
as low. Mrs. W. H. Smith won guest
prize.

Pineapple ice and cake was served
to the following: Mesdames Harry
Crouch, W. H. Smith, J. E. Becker,
Albert Hutzler, Willie Crow, Wood
Cameron, John Finger, Ed Cameron,
Misses Lillian Brucks, Irene
Schweers, Mary Crouch, Janice Hol-
loway and the hostesses.

LOOPING THE PIPE LINE.

The Illinois Pipe Line Company
has a force of 250 men at work lay-
ing a 10-inch pipe along its present
pipe line from Station 7-A south of
D'Hanis, to Station 6-A, south of
Knippa and several cars of pipe were
unloaded here the first of the week.

The looping of the line doubles
its capacity, and is made necessary
by the large quantity of oil to be
transported to tidewater.

ST. JOHN'S SCHOOL COMMENCE- MENT.

The St. John's Parochial School
closed for the term with an inter-
esting program at the school audi-
torium Sunday night, May 26th.

The program was varied by num-
erous features and was rendered in
a manner creditable to both teachers
and pupils.

The graduates were Misses Viola
Hermes and Evelyn Graff.

CARD OF THANKS.

We take this means of extending
our heartfelt thanks to all who in
any way assisted us during the last
illness of our beloved brother, Ben
Mann; and for the sympathy, floral
offerings and shower of Masses in
his behalf, at his death. Each and
every act of kindness will be grate-
fully remembered by his

BROTHERS AND SISTERS.

Chancey King, who has spent the
past nine months as a student in the
Wesley College at Greenville, re-
turned the middle of the week to
spend the summer vacation with his
parents, Mr. and Mrs. Vernor King.

HELLO!

Our Castroville Page

LOCAL, PERSONAL AND BUSINESS ITEMS FROM THIS BUSY BURG

ED. HUEHNER, Local Representative

News and advertising copy for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Tuesday night of each week. Mr. Huehner is authorized to collect and receipt for any business for this paper.

CASTROVILLE, TEXAS, WEDNESDAY, MAY 29, 1929.

Mr. and Mrs. Harry Hans and Miss Lucille Halbardier were visiting Mrs. Emil Halbardier at the Santa Rosa Infirmary Wednesday.

Mrs. Joe A. Bader was operated on Thursday at the Santa Rosa Infirmary. At this writing she is on the road to recovery.

Messrs. Leonard Brieden, Tommie, Edgar and Harvey Hans from San Antonio spent Sunday here.

Mr. Raymond Moehring, Misses Maudie Holzhaus and Mabel Tondre attended the baseball game at D'Hanis Sunday.

The Hesitation Dance Sunday night was well attended and very much enjoyed by all. The prizes were awarded to Mr. Samuel Ahr from here, Miss Mabel Raymer from Macdona, second, Mr. Wilfred Jungman from Potranco and Miss Bippert LaCoste.

Messrs. James Haby and Fred Wernette and Misses Willie Biediger and Alma Tschirhart from here

RIOMEDINA NEWS.

Mrs. Alf Schmidt is staying at the bedside of her sister, Mrs. Joe Haegelin, Jr., who underwent an operation at the Santa Rosa Infirmary.

Mr. and Mrs. Alf. J. Wurzbach attended church service at Castroville Sunday.

Edwin R. Wurzbach marketed a carload of fat steers at San Antonio Monday.

Those who attended the graduation exercises at Hondo last week were: Mr. and Mrs. Chas. T. Wurzbach, Edwin R. Wurzbach, Misses Hilda, Katy and Clara Wurzbach, Mrs. Mary Steinle and Mrs. Kate Bishler.

Mr. and Mrs. Joe H. Steinle and family spent Monday evening with Chas. T. Wurzbach and family.

Mr. and Mrs. Aug. Bonger and son, Harry, Mr. and Mrs. Elmer Huegele and Mrs. Oscar J. Schuehle visited O. W. Huegele and family and Mr. and Mrs. G. A. Mechler Sunday.

Those who attended the picnic at Quihí last Sunday were: Edwin R. Wurzbach, Misses Katy, Hilda and Clara Wurzbach, Clarence and Allen Huegele, Mr. and Mrs. G. A. Mechler, Oscar Haby and Miss Selma Haby, Mr. and Mrs. Ray Schott, Mr. and Mrs. Felix Stinson, Eugene Schott, Miss Blanch Haby, Arnold Beck, Ralph Burell, Walter and Louis Stein.

Edwin R. Wurzbach and sisters, Misses Katy and Clara, attended a birthday party at San Antonio Wednesday night.

GOLDEN WEST WELLS BEING CLEANED OUT.

Golden West Oil Company has cleaned out one of its wells in the Ina field and is moving the rig to another. The wells in the fields have all been shut down for a year and a half, due to the fact that the storage tanks were all full and there were no means for moving out the oil. A few months ago the refinery was completed and the product of the refinery has been finding a ready market, which is depleting the storage.

All of the wells in the field, some 15 in number, will be cleaned and put on production and following that the company will start drilling additional wells and developing additional production since the established market for the product of the refinery is already sufficient to take more than the product of the wells already in the field.—Express.

ANTI-BLUES CLUB.

Mrs. Melliff Lippold and Miss Ina King entertained the A. B. C. on Wednesday, the twenty-second at the home of the latter.

After several games of bridge, Miss Mary Crouch won high score, and Mrs. A. J. Hutzler received low. Miss Willie Way was given guest's prize. Mrs. Wood Cameron was presented with a wedding gift from the club.

A delicious salad course was served to the following members and guests: Mesdames Etta Langford, A. J. Hutzler, Wood Cameron, Misses Ina Holloway, Mary Crouch, Thelma Lynch, Willie Way, Lillian Brucks, Irene Finger, Velma King, Janice Holloway, Evelyn Wilson and the hostesses.

FOR RENT—10-acre field near town, \$40.00 per year. Apply to this office.

attended the ball game at D'Hanis Sunday.

Mr. Victor Roach from Uvalde passed through here Saturday evening.

Mr. Charles Holzhaus and Mr. Jordan from San Antonio attended the Hesitation Dance here Sunday night.

The program rendered by the pupils of the St. Louis School Monday night was well attended and very much enjoyed by all.

Mr. Harry Hans was a Devine visitor Monday.

Mr. and Mrs. Sara L. Tschirhart and family from Bader Settlement, were visiting Mrs. Emil Halbardier at the hospital Sunday.

Mr. Andrew Halbardier spent Sunday in San Antonio.

Mr. and Mrs. Ralph Tschirhart were San Antonio visitors Monday.

Mrs. Albert Beck and son, Ralph, and Miss Selma Haby were San Antonio visitors Wednesday.

T. H. Langford says: "Without the love of books the richest man is poor, but endowed with this treasure of treasures, the poorest man is rich. He has wealth which no power can diminish, riches which are always invigorating, possessions which the more he scatters, the more they accumulate, friends who never desert him and pleasures which never die." These words are too devoted to be understood by those who dream only of dollars and material things. How lonely the millionaire must be on his sick bed if books were not appreciated by him in his days of vigor and activity. The penniless lover of books, with a good book in his hand, pities the pompous plutocrat, who spends his precious time in a limousine driven by a liveried chauffeur. Our schools should develop love for good books in their pupils.

—Raymond Vernimont.

QUIHI NOTES.

Sunday School, Bible Class and divine service at Bethlehem Lutheran Church Sunday morning, respectively at 9 and 10 o'clock. All are cordially welcome.

At 2 p. m. Sunday afternoon divine service will be held in St. John's Lutheran Church at New Fountain. All are invited to this service.

The Lutheran Ladies' Aid Society will hold its regular bi-monthly meeting June 6th, in the Quihí Parish Hall. A cordial invitation to meet with this society is extended to all who desire to join its membership.

In spite of bad roads an appreciative audience was present at Bethlehem Lutheran Church Sunday night to hear and enjoy the fine Luther League program. All numbers of the program were rendered excellently and were interesting and uplifting.

The Quihí Luther League will give a picnic and program in Boehle's Grove on the coming 4th of July. The following committee was appointed to make the necessary arrangements: Mr. Frank Boehle, chairman, Mr. Walter Grell, Misses Bertha Oefinger and Amanda Grell.

G. A. MEETING.

The G. A.'s met in the basement of the Church Wednesday, May 22, for a regular monthly program, with Miss Elyne Breiten as hostess. Mrs. W. T. Crow acted as counsellor. Delicious refreshments consisting of punch, cake and sandwiches were served to the following: Mrs. W. T. Crow, Mayme Earnest, Donia Merri-man, Grace Wright, Katherine Clements, Margaret Dillon, Elyn Breiten and Mary Leota Pettis.

Our next G. A. Meeting will be June 5 at 4 p. m.

MARY LEOTA PETTIS, Reporter.

\$500 REWARD.

We, the undersigned, will pay the above reward for the arrest and conviction or information leading to the arrest and conviction of any person guilty of theft of goats, sheep or cattle from any of our ranches.

F. G. MUENNINK,
I. H. KING AND SONS,
E. A. PARSONS,
C. W. GILLIAM.

HIGH LIGHTS IN NINETEENTH ANNUAL REPORT OF BOY SCOUTS OF AMERICA TO 71st CONGRESS.

This report is made in detail to that honorable body each year. Anyone in the area who so desires may get the entire report by writing to our congressman and asking for House Document No. 2.

Our Aims and Ideals. The world interest in the Boy Scout movement challenges the intelligent understanding of every one, and yet many people still ask, "What is Scouting?" "What do Boy Scouts do?"

The Boy Scout idea is a movement rather than an organization. It aims to supplement existing organizations such as the home, church and school, by engaging the boys' leisure energies in outdoor games and activities of cultural and practical value.

The aim of the Scout movement is to inculcate character, which, though essential to success in life, is not taught within the school, and being largely a matter of environment is too generally left to chance, often with deplorable results. The Scout movement endeavors to supply the required environment and ambitions through games and outdoor activities, which lead a boy to become a better man, a good citizen.

What Scouting Is. Scouting is the process of making real men out of real boys by a real program which works.

Scouting is outdoor life, and so health, strength, happiness, and practical education. By combining wholesome, attractive, outdoor activities with the influence of the Scout oath and law, the movement develops character.

It develops the power of initiative and resourcefulness.

It helps boys.

It insures good citizenship.

The Boy Scout movement healthfully and sanely offsets the disadvantages which civilization has caused.

Conservation of Boyhood.

Conservation of our natural resources is universally approved, but of what value would material resources be unless we conserve the moral, intellectual, and physical future of the coming generation?

Prevention is recognized as better and less expensive than cure. The Boy Scout movement takes the boy at that time of life when he is beset with the new and bewildering experiences of adolescence and diverts his thought therefrom to wholesome and worthwhile activities. In this manner our character-building movement has done much in numerous cities to diminish the problem of juvenile delinquency.

The war brought with it a relaxation of moral fiber, which is disastrous to youth unless offset by powerful positive influences. Scouting is just such a powerful, positive, counteracting influence. Its program offers an answer to the boy problem which proves—

"Doing Is Learning"

We want to help boys on leaving school to escape the evils of "blind alley" occupations—that is, such work as gives the boy a mere wage for the moment but leaves him stranded without any trade or handicraft to pursue when he is a man, and so sends him as a recruit to the great army of unemployed and what is worse, the unemployable. "Doing is learning", and when a Scout in his formative stage of his life has this lesson thoroughly impressed upon his mind he has learned to be resourceful. The simple help-yourself experience which a scout receives in his impressionable years prepares him to meet emergencies covering the entire range of existence which may develop later in his life.

Scout Headquarters.

"THE DESERT SONG" COMING TO "TEXAS".

The first operetta ever to come to the talking and singing screen, will be seen and heard in San Antonio when the screen version of the gay, romantic musical play, "Desert Song", is shown at the Texas Theatre during the week starting Saturday June 1.

In this colorful story of love in the Moroccan Desert, John Boles, a graduate of Texas University and a popular musical comedy favorite, plays the leading role of the Red Shadow, a mysterious desert chieftain in love with a beautiful French girl. Boles possesses a fine tenor voice and sings many of the melodious songs featured in "The Desert Song". Playing opposite him is Carlotta King, well known concert artist, making her first appearance on the screen. As the cultured French girl who loses her heart to the daring Red Shadow, Miss King acquires herself in splendid fashion. She and Boles sing several charming duets that are sure to prove popular with audiences everywhere, for the delight of this screen entertainment is its rich combination of melodies, songs, dances and choruses. Action also; which is a reminder that the screen offers many advantages over the limited production facilities of the stage. There is for instance the fine chorus of 100 male voices, men not merely singing the stirring "Riff Riding Song", but riding on their Arabian steeds as they sing. It's a new thrill of song combined with action.

A strong supporting cast includes Louise Fazenda, John Miljan, Myrna Loy and Johnny Arthur.

We are of the opinion that Hoover is destined to much trial and tribulation over the prohibition question. His first act of not giving the dry cohorts of the South the dish in the official flesh-pots they thought their apostasy from the party of their fathers entitled them has disappointed the dries; his failure to meet the expectations of the Eastern and Northern wets who followed a treacherous press is arousing murmurs of dissatisfaction in that quarter. Thus must it ever be.

THE NEW CAR.

The Marquette, the new six cylinder car produced by the Buick Motor Company will be offered to the public for the first time on Saturday, June 1st, by approximately four thousand Buick dealers throughout the country.

This new car is a tangible evidence that the field of automotive engineering is a dynamic one constantly striving to produce better transportation, to reduce owner operating costs and to create new standards of performance, speed and beauty.

During the long months of development, Marquette cars have been driven over hundreds of thousands of miles in all kinds of weather to test the car's performance. The General Motors Proving Ground presenting all sorts of rough and smooth roads with all kinds of driving conditions—concrete, macadam, gravel, dirt, hills, curves and straightways—was the scene of the grueling tests that prove the Marquette a car of brilliant performance.

The experiments with the car's ability as a hill climber well illustrate the severity of the tests to which the Buick engineers subjected their new product.

A five-passenger, four door sedan carrying a total load of 450 pounds, was used to test the Marquette's hill climb ability. This car was driven over a hill 1,400 feet long, one of the steepest on the Proving Grounds—a hill presenting a climb more severe than the average cross-country motorist ordinarily encounters in a full season's driving.

The driver, under the critical supervision of the engineers, approached the foot of this grade at a crawling speed of five miles per hour. As the hill was actually encountered, the engine was accelerated and, with a surge of power, the car swept upward at a rapidly increasing speed. As it crossed over the summit of the grade, 1,400 feet from the bottom, the car was going 25 miles per hour and steadily picking up.

Further tests prove that the Marquette not only has a powerful capacity to climb the steepest hills, but it has that unusual combination of abilities so long sought after by all automotive engineers—quick getaway, flashing speed and rugged power. No one achievement has been sacrificed at the cost of the other.

Under actual tests the car has consistently accelerated on a straightaway from 5 to 25 miles per hour in 8.8 seconds; from 10 miles per hour to 25 miles per hour in 6.3 seconds; from 10 to 40 miles per hour in 13.4 seconds and from 10 to 60 miles per hour in 31 seconds.

The results of these tests, together with a proven road speed well in the seventies, Buick officials say, create new standards of performance in a car of the weight and class of the Marquette.

Although priced within the reach of millions, only the finest proven materials have gone into the construction of this new car which is built to share in the prestige the Buick Motor Company has been accorded for the last quarter of a century.

The recent death of Ex-Senator Joe Bailey removed one of the most brilliant and most unfortunate statesmen who ever played a part in the great drama of American public life. Gifted by nature with a wonderful ability he achieved a wide influence in public life. Designing interests used this influence while flattering his egotism into believing they sought only his ability. His constituency resented this divided allegiance, and in a fit of anger and wounded pride he gave them back their commission and offered his legal services to the interests. Divested of his powerful political influence he was of no further use to them, and it must have been a sadly disillusioned man who quit Washington to come back to Texas to build up a law practice under less pretentious surroundings. His passing is saddened by the fact that though at last understanding and understood he could never come back. His life is useful chiefly in teaching the would-be public servant what to avoid.

PROSPERITY MONTH CELEBRATION.

SAN ANTONIO, Tex., May 28.—Scores of reservations are being received for the Texas Prosperity Month banquet to be held in San Antonio Friday evening, June 14, with members of the South Texas Press Association and secretaries and presidents of the Texas Chambers of Commerce as guests of honor. Prosperity Month celebration, June 15 to July 14, will mark the building progress and general prosperity of the Lone Star State, and will be centered around the formal opening and dedication, June 14, of the new Greater Majestic Theatre.

Invitations were sent to the newspaper men by F. Herndon, secretary of the Association, and invitations to the Chambers of Commerce were extended by Porter Whaley, general manager of the San Antonio Chamber of Commerce.

Following the banquet at a hotel, the formal opening of the Greater Majestic Theatre will be staged. The entire proceeds of the opening performance will go to the Junior League Children's Hospital, which will be built this summer. Between \$20,000 and \$30,000 is expected to be raised for the Hospital. The first week of Prosperity Month will be known as Dedication Week, and several entertainment events are scheduled. The second week will be known as Bargain Week and a festival of buying will be staged by the Retail Merchants Association. Several thousand visitors over the state will be entertained in San Antonio during Bargain Week.

One of the first endeavors of the young man should be the acquisition of a home of his own. It fits him better citizenship, and affords the best opportunity to build a happy and a useful life.

Years of service in MODEL T FORDS

THE Model T was so strongly and sturdily built that it is still rendering reliable, economical service to motorists in every section of the country. Millions of these cars can be put in shape for two, three and five more years of use at very small cost.

So that you may have this work done economically and satisfactorily, the Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts. It will continue to do so as long as they are needed by Model T owners. The following list gives the approximate labor charges for reconditioning the Model T Ford:—

Engine	
Tune motor (including replacement of commutator case, brush and vibrator points if necessary)	\$1.00
Grind valves and clean carbon	\$3.75 to 4.00
Overhaul carburetor	1.50
Reline detachable car transmission bands	1.50
Install new pistons or connecting rods	6.00
Tighten all main bearings	6.00
Overhaul motor and transmission	\$20.00 to 25.00
Rear System	
Replace rear axle assembly	2.50
Install universal joint	2.50
Reline brake shoes	1.50
Replace rear axle shaft, drive shaft pinion, or drive gear	\$5.75 to 6.00
Overhaul complete rear axle assembly	1.75
Rebush spring and perches	3.00
Oil and graphite springs	
Front System	
Overhaul front axle	\$4.00 to 5.00
Rebush spindle bodies and arms (both sides)	2.50
Replace or straighten spindle connecting rod	.50
Tighten radius rod or steering ball cap	1.50
Tighten all sockets and joints of front end	2.50
Replace front spring tie bolt or new leaf	3.00
Straighten front axle	
Chassis	
Replace rear fender	1.75
Overhaul steering gear	3.50
Repair muffler	1.00
Overhaul radiator	7.50
Repaint Coupe	25.00
Repaint Sedan	20.00
Repaint Touring Car	8.00
Reupholster Runabout	15.00
Reupholster Touring Car	4.00
Replace top deck (Coupe or Sedan)	5.00
Overhaul starting motor	2.00
Overhaul generator	

These prices are approximate and are for labor only because the need and number of new parts depend on the condition of each car. The charge for these parts is low, however, because of the established Ford policy of manufacturing and selling at a small margin of profit.

FORD MOTOR COMPANY

FORD FINANCE COMPANY MAKES IT EASIER TO BUY A FORD.

General Credit Company Develop-
Great National Organization
To Handle Model A Time
Payments.

One of the developments of the year which created national in-
terest in both automotive and finan-
cial circles was the organization of
the General Credit Company for the
purpose of financing exclusively the
sale of Ford products throughout
the country. Ultimately service of
a similar nature will be provided
in all countries where Ford products
are sold.

The General Credit Company is a
national financial institution cre-
ated to provide uniform and author-
itative payment plans at low cost
for the purchase of Ford products
on an instalment basis. The Company
has made sound and gratifying
progress. The reception accorded the
General Ford Finance Plans by the
Ford dealers in the 21
states where branch offices have
been established is indeed impressive.
Today UCC has purchased instal-
ment contracts in excess of \$75,000,
which establishes a new record
for instalment financing for an in-
stitution which has only been in op-
eration for one year. It is anticipated
that the volume of business handled
will exceed \$25,000,000 monthly
in the near future. In the short space
of time, the UCC organization has
grown from an organization of ten
to one employing almost a
hundred.

Already there has come a realiza-
tion that the Universal Credit Com-
pany was created primarily for the
purpose of financing the Ford dealer
and financing of the Ford dealer
the purchaser, and not with the
primary object of profit. Its estab-
lishment is thus squarely in conform-
ance with the reiterated Ford policy of
expanding and developing every pos-
sible economy from mine to consum-
er for the benefit of the public.

The purpose is to reduce the cost
of credit to the individual who buys
on time, commensurate with sound
business policies. This reduction in
the cost of credit is made possible
by the economies that arise from
the operation of an authorized vol-
ume, on the basis of nation-wide vol-
ume, and dealing exclusively with the
Ford dealer organization. Simplicity
of forms, special bookkeeping and
statistical machinery and general
uniformity of procedure all under-
lie centralized control and management,
constantly contributing to cut
down costs.

This cost of credit is just as vital
to the cost of any of the material
that goes into the building of the
automobile. It is in every sense a
commodity which becomes a part of
the completed article before it is ul-
timately sold to the public.

Thus the Universal Credit Com-
pany's low finance charges are equiv-
alent to a price reduction on the
model A car and other Ford prod-
ucts.

Then there is that important mat-
ter of good will. A buyer delights in
dealing with an organization that
gives him prompt, courteous service,
that deals fairly with him, that main-
tains scrupulously the standard of its
product and that is constantly in-
vesting in that buyer a sense of re-
liability and confidence and appre-
ciation of the seller and his prod-
uct.

UCC is serving a still greater pur-
pose in the economic and social phas-
es of our national life. In addition to
aiding to the advancement of organ-
ized industry, UCC is at the same
time contributing substantially to the
happiness and contentment of society,
by extending credit to every deserv-
ing person in the nation at the low-
est possible cost. UCC is helping to
bring greater health and happiness to
a large group of American people,
heads of families as well as their
children. In the process of transition
from the crowded city to the healthy
country districts, UCC is aiding the
American family to establish itself
with economic advantage in more de-
sirable locations and is thus helping
to raise the standard of American
living conditions.

Thomas A. Edison, an outstand-
ing genius of our time, has recently
aid on the subject of instalment sell-
ing: "What we call instalment buying
is one of the methods by which we
are preparing to take immediate ad-
vantage of the opportunities for a
higher standard of living through
machine production. That is a meth-
od of saving in goods instead of sav-
ing in money. In the old days a man
spent most of his life getting ready
to die. He saved against a rainy day
—against old age. Now, although it
is a nice thing to have a fund to fall
back on, a family thinks more of liv-
ing than of dying."

"People who work for wages sel-
dom come into the possession of con-
siderable funds. Unless they save,
they can hardly ever buy an article
costing over \$50 or \$100. Their in-
comes, however, justify the posses-
sion of more expensive articles that
contribute to their comfort or their
enjoyment, such as automobiles, pho-
nographs, radios and books, as well
as many household conveniences. There
is no reason why the manufacturers
of these articles should not aid in
the purchase by shifting the point of
paying from before purchasing until
after purchasing."

"If the cost of living goes down
—and invention and engineering are
bound to drive it down—and wages
go higher—and they are bound to go
higher with more efficient produc-
tion—then still more attention can
be paid to living rather than dying.
This whole instalment system which
is gradually developing along busi-
ness lines will be a necessary part
of the job of having consumption both
increase and diversify in order to
take care of production."

"Saving by people of moderate
means, in order to provide funds for
investment, is not so necessary as it
used to be. The big companies are

Marquette Offered by Buick in Medium-Price Field

The Four Door Sedan is one of the six models comprising the new Marquette line just introduced by the Buick Motor Company

Buick dealers throughout the country today are displaying the Marquette, a new Six, produced and distributed by the Buick Motor Company. This car which will sell in the medium-price field, is offered in six models—a two-door sedan—a four-door sedan—business coupe—sport coupe—a roadster and a touring car.

The Marquette is an exceptionally large car for its price class having a wheelbase of 114 inches. Prices on the car range from \$965 to \$1035.

The six-cylinder L-head motor and the crankcase are cast in one integral unit. The engine has a bore and stroke of 3 1/4" by 4 3/4" and develops 67.5 maximum brake horsepower. Buick officials say the Marquette has remarkably quick acceleration and a maximum speed up in the seventies.

All models are designed along low swung rakish lines. The bodies are built by Fisher and finished in Duco color combinations that follow distinctive fashion trends. The radiator which is covered with a metal grille is deep with a narrow chromium plated rim that balances with the chromium plated hub caps. The wheels are sturdy and carry large section 28x5.25 balloon tires.

The Marquette has a new non-glare Fisher VV type windshield which sets at an angle of seven degrees from the perpendicular and eliminates all glare, whether from the rear, front or sides.

Other features embodied in the Marquette include large internal expanding Duo-Servo four-wheel brakes, an adjustable steering wheel, adjustable driver's seat, built-in bumper mountings and all chromium plated outside hardware. The soft, but durable, mohair upholstery is waterproof, impregnated under a new process with a rubber solution.

A full pressure lubricating system is used on the new car insuring a constant flow of oil to main bearings, connecting rod bearings, cylinder walls, camshaft bearings and the timing chain. The water cooling system is thermostatically controlled and has ample capacity to keep the engine at normal temperatures under all driving conditions.

The tapered chassis is exceptionally sturdy and, together with the long semi-elliptic springs, gives the Marquette new qualities of restful, smooth riding at all road speeds.

able to provide their own investment funds to a considerable degree out of their own earnings. We are getting a new slant on savings by the individual of comparatively small earnings. One evidence of that is the giving of more attention to living than to dying. That means that people in general have greater confidence in the future than they used to have."

Sound spending by the recipients of American high wages logically follows. If industry is to continue to create products they must be consumed. To make this consumption possible by the wage earner who

helps create the product, the manu-
facturer presents low cost finance plans and makes available credit where credit is due. A sound instal-
ment plan is now one of the neces-
sary elements of our modern busi-
ness system and is so recognized.

The institution of instalment sell-
ing has contributed a monumental
share in the development of indus-
try. The cost of credit to the con-
sumer is of paramount importance
to prosperity and to the individual.
In the operation of the Universal
Credit Company, they are always aim-
ing at lower costs and broader mark-

ALL-AMERICAN SIX
PRODUCT OF GENERAL MOTORS

ON
DISPLAY
SATURDAY
JUNE 1ST

A NEW SIX AT A PRICE WITHIN THE REACH OF MILLIONS

On Saturday, Buick will present the new
Marquette—designed by Buick engineers and
built in Buick factories. Marketed as an addi-
tional member of the Buick family, it will in no
way affect Buick itself. Buick will continue to
express the policies that made it the leader
of the fine car field for the past quarter-
century. In the smart, comfortable bodies
of the Marquette you will recognize the fine

hand of Fisher design. In its balance and
poise you will see experienced engineering.
And in performance—that final standard by
which all cars are judged—you will find the
Marquette leading its price class by an impres-
sive margin. Be on hand when this eventful
new car is shown Saturday. See what a
remarkable new automobile Buick has pro-
duced at a price within the reach of millions.

TEXAS STEAM LAUNDRY
TEXAS DRY CLEANING & DYE WORKS

With Plant At 205 Losoya St., San Antonio, Is One Of The Most Modernly Equipped And Well Lighted Laundries In This Part Of The State And Offers Its Patrons A Very Comprehensive Service In All Kinds Of Laundry Work—Also Feature Excellent Dry Cleaning Service—Will Call For And Deliver And Conduct Prompt Service By Parcel Post—Under The Able Direction Of Mr. Schreiber—All Work Done With Soft Water And Ladies Exclaim "What Lovely Work!"

The Texas Steam Laundry truly modern in the laundry as it offers scientific work. Its scope of activity includes all phases of modern laundry.

Their plant is equipped with the latest of machinery which has found not only the best from the standpoint of the practical laundryman, but the kind that has been endorsed by the leading institutes of scientific research in this line. They use the softest of water and soaps that will not harm the most delicate fabrics. In their employ are people who thoroughly understand the various phases of work they are called upon to do and who handle all articles no matter how valuable in the most painstaking way.

Laundering clothes is not only taking out the dirt, but also consists of turning out a clean, smooth garment, which one would be proud to wear. New machinery and sanitary methods are necessary to wash comfort into clothes and this laundry surpasses all others. While the old fashioned method of dumping a bunch of laundry into a tub and swishing it around a few times in a few gallons of water doped up with some washing powder may suit some laundries and their patrons, this popular institution thoroughly cleanses your garments by the latest sanitary methods and returns them to you fresh and free from all germs and dirt.

If you have never sent your family washings to this laundry, just call them up over the phone and the auto delivery wagon will come and get your laundry and deliver it on time.

HUGO GROTE, INC.

At 710 Broadway, San Antonio, Is The Leading Used Car Exchange Of This Part Of The State—Mr. Grote Offers Service, Easy Terms And A Large Number Of Cars From Which To Choose—Mr. Grote Pays Cash For All Cars And Has An Excellent Selection Of Classy Ones.

This well known establishment is one of the most progressive in the country and is a concern that has saved its patrons many a dollar. In this day of high prices it is most important that every community have an establishment of this kind where the public is able to obtain very necessary articles at low prices and thus the management is rendering a most valued and essential service.

The real test for an automobile comes in the manner in which it actually stands up on the road. Those who have never enjoyed the satisfaction of driving one of their used automobiles cannot fully appreciate the wonderful value offered at such a reasonable price.

You can buy a car here for a very small payment down. That is all the cash you need have. Payments may be made as low as you wish. With such a service and such terms even those in the most humble circumstances can own and operate their own motor car. This is certainly a metropolitan and a most attractive service as well as one that brings within the reach of all the conveniences and the pleasures of owning their own automobile.

THE HANDCUFF KING

Jack Houdini, the boy who had come back to the town of his birth. However, he was not coming back as the small ragamuffin he had been when he left, but as Houdini, The Famous Handcuff King.

A large auto drove up before the waiting crowd and Houdini followed Mayor Holford stepped out and amid the yells and cheers of bystanders.

Houdini, escorted by two burly policemen, made his way through the crowd to the steps of the jail. There he announced his determination to be with them in fifteen minutes.

As Houdini entered the cell, as signed to him he noticed that it was unusually immaculate for a prison cell. After locking a pair of steel handcuffs on Houdini's wrists and fastening securely the cell door, the policeman left Jack alone.

On his captor's departure, Houdini began curious maneuvers of hand and wrist. In a short time the left handcuff snapped, and Houdini's hands were free. Quickly, he took

stances can own and operate their own motor car. This is certainly a metropolitan and a most attractive service as well as one that brings within the reach of all the conveniences and the pleasures of owning their own automobile.

Mr. Grote enjoys the distinction of being an authority on the value of cars and trucks and if you are thinking of selling your car or trading it in any place on a new one you should have his appraisal before making a deal.

They offer used cars for a low payment and the remainder can be arranged on easy monthly payments. This gives one the time to pay and make the money out of the car that is paid for it.

The management is in the hands of Mr. Grote, who is thoroughly conversant with the business and has always been a booster for all things that promise public improvement.

from the lining of his conspicuously bright necktie, two bright lengths of wire. With the shorter of these he worked a moment at the locks on the cell door. After a few trials, the door swung open and Houdini walked down the corridor towards the jail entrance.

The lock at this door was the only barrier between Houdini and his intended object. With the remaining wire he began working at this lock.

Five minutes went by, eight minutes, and ten minutes. Still no success.

As Jack wiped the perspiration from his brow, he looked through the keyhole of the door and caught a glimpse of the anxious crowd outside.

Again he tried, and again, but his efforts were in vain and at the end of his allotted thirty minutes he decided that his work had been useless.

Houdini attracted the attention of the sheriff by pounding on the door. When he came to Houdini, Jack told him that he had failed.

Imagine poor Jack's amazement when the sheriff ejaculated: "Good Heavens, man! I didn't even lock that door."

Hondo and Vicinity

THROUGH THE COLUMNS OF ITS PAPER WELCOMES ALL TOURISTS

NOT ONLY TO STOP HERE BUT TO VISIT IN THIS PART OF THE STATE, TO MINGLE WITH THE PEOPLE, DINE AT OUR RESTAURANTS AND HOTELS, VISIT OUR GARAGES, STORES, BANKS, PROFESSIONAL PEOPLE AND ENTERPRISES—"SEEING AMERICA FIRST" SHOULD BE THE AMBITION OF ALL—TRANSPORTATION AND ACCOMMODATIONS NOW REASONABLE AND GOOD ROADS AROUND.

The rise of the United States to the greatest nation in the world has been due to its superior transportation and communication service which have educated the people by closer association and made them a super race.

Touring Is A Post Graduate Course In The School Of Practical Experience

Isolation has been the policy of European governments who have placed passport barriers in the way of those who desired to travel. While these have not made travel prohibitive yet it has discouraged it. In America we have had free travel between states and before the days of the auto, the railroad and traction line were a great aid. But with the coming of the auto into general use travel has multiplied so rapidly that today touring has become one of the popular pastimes. With the completion of the good roads and the marking of the transcontinental highways, the improvement in hotel and restaurant accommodations, the excellence of universal garage service it has become easy. The mingling of the people has been a great school that has given the public a broad general education. Observation and the seeing of things "first hand" form indelible impressions on the minds of the travelers that time does not erase and which aid them in their business and general life.

"Seeing America First" Should Be The Goal Of All

Every American should look over his country, visit in all the states, investigate the business or occupation in which he is engaged as it is carried on by others and study out any improvements that can be made. When he becomes blasé upon America is time enough to look over other parts of the world.

The Automobile Makes Touring Reasonable And Easy

With an automobile today the whole family can go for the price of fare for what it formerly cost for one. The tourist camp, the hotels, restaurants offer such a variety of accommodations that expenses on the way can be made just what people want to make them. The time is coming when every family will have an auto and each year a tour will be a part of the education and entertainment of all. The automobile makes the tourist independent and enables him to go where he desires.

All Americans Natural Tourists And Adventurers

No country in the history of civilization in the past ever arose as fast as this one. Our ancestors were all adventurers and tourists who learned much from their travel. From Plymouth Rock and Jamestown they swung from boat to horse and penetrated the wilderness. In "49" they used the covered wagon across the plains. The railroad and steamboat were natural inventions of minds who were seeking faster methods of transportation. The traction line and auto were all our inventions. Finally the supreme airplane was the invention of the land that had selected the King Bird for its emblem.

America To Conquer The World By Transportation

America is now at the threshold of a world conquest of business by means of transportation. Business formerly followed the sword and was secured by diplomacy and conniving. The open American policy of fair play, one price to all is winning the good will of the entire world. With a network of airplane lines which will encircle the earth our business will win everywhere. We have always excelled in all methods of transportation and the placing of airplane production on a mass basis will make us supreme.

Good Roads Lead To Scenic Beauty

For those that love the beauty of nature in all its variety a tour of America offers an excellent reward. One can visit the mountains, the plains, the desert, see the oceans, the lakes and rivers. There is no thrill of natural beauty that cannot be found here. The good roads lead from the northern forests to the coral shores where in a few days you can be transported from the country where it grows almost too cold for permanent abode to the land where you can sit under the palm trees and be fanned by the trade winds. From the Blue Ridge Mountains of Virginia to the lofty peaks of Colorado and California is only a few days. You can stop in the desert and see the stars and moon at close range. You can pause in Yellowstone or at the base of Mt. Shasta and watch creation putting the finishing touches upon one of its worlds.

THE PARLEY OF THE PLURALS

A small group of words got together one day,

And lamented their fate in the following way—

"If ox," said box "is in plural called oxen,

I'm sure I don't see why I shouldn't be boxen."

"And if tooth," said booth, "is in plural called teeth,

They why in the world shouldn't I be called beeth?"

"If mouse," said house, "must be pluralized mice,

'Twould be simple and easy to change me to hice."

"And likewise," grouse, "If louse be called lice,

can, with a shout, "And we should be fen, ben and cen, without doubt."

"If foot," said boot, "meaning two, becomes feet,

Then two of me certainly ought to be beet."

"If a he," sulked she, "is he, his, and him,

I should really prefer to be she, shis and shim."

"If that," growled hat "is sometimes writ those,

'Tis a very good reason for writing me hose."

"You're right!" said the cat, bat and rat. "We propose

That we follow the rule and be cose, bose, and rose."

RIVERSIDE GRANITE MEMORIAL COMPANY

Located At 201 Conception, San Antonio, Offer An Excellent Service In Monuments, Markers And Head Stones And Have Been Leaders In Their Field For Years, During Which Time They Have Gained An Envious Reputation—Suitable Monuments Are An External Tribute Of Those Who Live And Love—Under The Direction Of Mr. Fritz Oehler, General Manager.

The Riverside Granite Memorial for their reception. Notable examples of this were the famous pyramids of Rameses and King Tut. on memorials in this section of the country and are well known for many miles around.

The yards and works are stocked with a large supply of the leading marbles and granites. The shops are equipped for the production of work both large and small. The men employed here are more than mere carvers of marble and granite but are artists in this line and all the work has the stamp of the real artist.

They are able to artistically reproduce any design that one may have in mind or will submit original designs that will be in keeping with the size of the work desired. On hands at all times is a large collection of memorials that can be purchased and will be erected on a few days' notice.

The placing of memorials over the graves of the dead is a custom that originated with our early civilization. In Egypt it was the custom for the Pharaohs to erect a pyramid during their lifetime so that when the final summons came a place was prepared for their reception.

NEESE BROS.

Located At 411 N. Cherry, San Antonio, Are The Producers Of Sand And Gravel, Play Ground Sand And Driveway Gravel That Has Aided In The Upbuilding Of This Section Of The Country—Always A Large Supply On Hands Which Is Sold At A Reasonable Figure—Best Of Delivery Service For Large Or Small Orders—An Institution That Is Aiding In The Building Of Good Roads In This Section By Furnishing The Very Best Products Obtainable—Phone Crockett 3159.

It is very doubtful if any enterprise in this section has been marked by such immense progress as has this company, the best institution of its kind in this section. From a veritable hole in the ground to a flourishing volume of business, its history reads like one of the tales of the famous Aladdin of olden times. Not that there has been any magic lamp in its success, for the only magic used was hard work and the wisdom and knowledge that always breeds success.

In this comprehensive review of our industrial progress it is essential that prominent mention be made of this enterprise, which has been one of the vital factors in the development of this section.

The quality of the sand they furnish is the very best. It has that sharp quality that is so necessary in the use for cement work that makes the work stand for all time. There are many kinds of sand and it is necessary to secure sand of quality to make sure of getting the best of

work. In this section particularly industrial progress has been benefitted by them. There is nothing more important than the supplying of good sand and gravel for the building of roads and streets, driveways, roads and building blocks.

Real estate men who are laying out and improving new subdivisions should get in touch with this firm as they are able to furnish any quantity on short notice.

Neese Bros. are thoroly conversant with every feature of the business. They have been responsible for the tremendous strides to the front that this large concern has made and together with the associates in the company have always been real boosters for the community. They have been ready and willing at all times to lend their business wisdom and personal assistance to all propositions that promised the development of the city and county.

DUCO AUTO PAINTING CO.

At 200 Grayson St., San Antonio, Has One Of The Largest And Best Equipped Shops In The State, Featuring A Most Complete Service In High Grade Auto Painting With Duco—Offers Complete Service And Can Refinish Your Car In A Few Days—All Work Done By Experts—Equipped To Give Rapid Service—Drive In And They Will Give An Estimate—Their Prices Will Please You—Under The Direction Of Mr. S. B. Sloan.

The problem of auto painting when it actually gets brighter and glossier. It is also much easier, quicker and cheaper to keep clean than order of cars in the country it was necessary that some solution to the problem be found. In the solving of this proposition in this part of the state we desire to refer you to The Duco Auto Painting Co.

The highly trained chemists of The DuPont Company set about to find a preparation that would answer all the needs and could be applied in quick time. They produced Duco which has taken the auto trade by storm. In this section they looked around for men with the ability to handle the product and have selected this place on account of the general excellence of its work.

Rain, sun, snow, sleet, boiling water, mud, sand, tar, battery acids, salt air, alkaline dust and ordinary bumps or knocks cannot harm its unusually durable finish. Instead of growing dull and lifeless with age

Service is the main feature of the place and when you drive in you will find them courteous and accommodating, and ready to serve you. They will tell you how much it will cost and just when the job will be completed.

You will be shown all the different colors and grades of paints and be able to choose the one best suited to your car.

Because we have first hand knowledge of their excellent work in Duco painting we wish to advise all our readers to see and consult The Duco Auto Painting Company before letting a contract for the refinishing of their cars.

W. B. SPEEGLE

Located At 1531 West Poplar St., San Antonio, Are Well Established House Raisers, Movers And Shorers—Have Modern Equipment For The Moving Of Any Kind Of Building—Also Carries A Large Line Of New And Used Building Material Which Are Offered At Attractive Prices.

The housemoving service of the business is the carrying of a very great economical value to the people of this part of the state as he has saved much destruction of valuable real estate by reason of his modern service.

He has a complete equipment of all kinds of machinery, block and tackle, rollers, tractors, horses and in fact everything for the carrying of a successful completion the moving of any kind of a building. Great preparation and care is taken with the preliminary work so that the building in transit will not be damaged any by the trip. Men are employed who understand the relative weight of buildings and what methods must be taken to move them carefully. All work is accomplished in the most careful manner so that when the building arrives at its destination it will be placed properly and practically ready for use.

In this age of the high price of all kinds of labor connected with the building trades, the soaring prices of materials and the consequent high price of real estate of all kinds one must look around pretty carefully before deciding to tear anything down and junk it. If the house or building is located on a too valuable lot, it can often be moved to a cheaper one and made an excellent investment for years.

One of the chief departments of

the business is the carrying of a very complete line of new and used building material. Many lines can be secured here at extremely low prices as in the tearing down buildings much valuable material is saved that is practically as good as new and can be used to advantage in many buildings. They also have a complete line of new materials, thus being able to answer every need in the line.

Mr. Speegle always gives his customers the best of service and will assist anyone in figuring the cost of the work, aid in the solving of the investment problem and otherwise assist in the undertaking. He long ago realized that customers must be satisfied and as a consequence the business has grown to large proportions. He can show you numerous buildings that he has moved and explain the entire proposition to you.

He has been a great aid to the progress of this part of the state by reason of his very modern and scientific service in house moving.

In this review we are glad to compliment Mr. Speegle upon his great success and to say that it is well deserved as he is rendering a great service to the people in these days of the high cost of building and housing shortage.

TERRELL WELLS BATH HOUSE

Two And One-Half Miles From The City Limits Of San Antonio, San Jose, Were Visited By One Hundred And Fifty Thousand People Last Year—Have Expert Attendants And A Physician In Charge To Insure All That They Are Pursuing The Proper Treatment In The Number Of Baths Taken, Etc.—Under The Direction Of Mr. Walsh.

The Terrell Wells Bath House brings to those who have suffered for years without hope of recovery, a message that is as truthful as it is wonderful, and that is, they can do for you what the Terrell Wells Bath House has done for thousands, give you back the heritage which is rightfully yours, HEALTH.

Marked success has followed each year that it has been run, and that alone should speak for the merits of, and give you the confidence, to investigate San Antonio's your own institution.

The taking of a tonic or curative bath is beneficial to everyone in this age of hurry and rush when neglect of proper bathing is often carried to the extreme. These baths open the pores of the skin completely and aid nature in the exudation of the poisons that are naturally cast off by the body through the pores. Man in the long ago was accustomed to hard labor and perspired a lot, but today many people lead indoor lives and do not get the advantage of this

natural process. The baths correct this and place one in the best of condition.

This bath establishment is thoroughly equipped with the latest fixtures and one can go here, take the bath and rest. After the peaceful sleep one wakes up refreshed and invigorated. The body resumes its natural functions. The rest after the bath protects against catching cold. They have attendants in charge who are experts in the proper administration of the bath.

Mr. Walsh and assistants have made a scientific study of the bath and it is here administered under the best of conditions. People from many states come here for baths and treatments and the testimony of the thousands as to the healing qualities is constantly increasing the patronage.

In making this review we are glad to compliment The Terrell Wells Bath House and to refer this comprehensive service to all of our readers.

THE OLD SOUTH CAFE

Now In Their New Location In The Aztec Theatre Bldg., Entrance Next To Theatre, Enables You To Dine In Dixie Where You Will Receive The Good Old Fashioned Mammy Cooking—A Popular Place For Tourists And People From The Surrounding Territory When In San Antonio—Ventilated And Cooled By Same System As The Theatre.

The Old South Cafe has attained a great popularity among people from over the surrounding territory as it offers the best of food, is always open and conveniently located.

In traveling over the country you will find nothing in greater profusion than poor restaurants. This is why it is indeed refreshing to go to such an up-to-date establishment as this one. It is unsurpassed in quality of food or accommodation of service. When the Old South Cafe went into business it was with the idea that a good, modern restaurant would be appreciated by the local and traveling public. That this principle was well founded is proven by the success attained. Here you will find everything pure and wholesome and deliciously appetizing. The service is equally satisfactory whether your order be large or small, and you will be made to feel that your trade is desired and appreciated by the management. There is not a more attractively furnished restaurant in this part of the state than this one and there is not one that has attained a greater measure of popularity. There is none in which the service and cuisine are more pleasantly satisfactory.

They are now featuring chicken dinners as a specialty and number among their patrons some of the leading persons of the territory.

Their delicious chicken dinners at The Old South are famous all over the state as tourists passing through this section and people visiting in this part of the country during the season have spread the news among their friends of the wonderful dinners here.

They feature old fashioned chicken dumplings, southern style fried chicken, chicken gumbo and other delicious specialties.

The seeker after gastronomic delights must indeed be hard to please if he cannot be satisfied here. Whether at tea, lunch or dinner in the evening you will find a wide variety of food of the highest quality that will please the most jaded appetite.

The cuisine of this concern is the talk of the country-side and people from every walk of life have found that refreshment here adds a new charm to life. They specialize in good southern dishes and have an extensive trade from the territory for many miles around.

We are pleased in this review to compliment The Old South upon the high character of the concern which is rendering a much needed and highly appreciated service to the public, and to say that the people will always find there refined circles and a pleasant host. We recommend this place to all our readers.

Perfection Mfg. Co.

Located At 126 Lowell, San Antonio, Are The Manufacturers Of Gold Seal Crisp Potato Chips And Salted Peanuts Which Are Made Of High Class Materials And Produced Under The Most Sanitary Conditions—Their Excellent And Delicate Taste Is Responsible In Upholding The Fame And Superlative Quality Of These Food Products—Under Able And Popular Management Of Mr. Carpenter—Phone Mission 3425.

The Perfection Mfg. Company seeing the trend of the times in production of food products has established an institution that greatly aids the housewives of this part of the state and renders an excellent service in the high grade products.

There is no question but that the potato chips which they distribute are a great saving to the people. To make potato chips by the home process is more expensive as it takes materials parts of which are thrown away where they are made in small quantities. By the modern mechanical equipment Gold Seal Potato Chips are made in wholesale lots and as a consequence the materials from which they are made are all used at one making and there is no loss. Then the time it saves the housewife is quite a bit. For regular meals, luncheons and parties they are very popular.

Gold Seal Potato Chips are made under the most sanitary conditions. They contain the purest of ingredients.

They offer the best of delivery service, which not only reaches through the home town, but extends throughout the surrounding territory, where these products are very popular. They can be obtained in most any grocery store or delicatessen.

People over this section should all demand these products as they are the very best that money can buy, are a great saving in the economies of the home, and delicious, fresh and tasteful.

The fame of their excellent products is widespread as the demand of neighbors and friends became so insistent to supply them with their excellent products that this accommodation became a large and growing business.

In this review we compliment the management upon their great success in the promotion of the enterprise that is right abreast of the times and we predict even greater popularity for the products which they distribute as people learn their merits.

The Lewis Barber College

Located At 727 West Commerce St., San Antonio, Is Under The Direction Of Mr. A. C. Lewis, Famed Not Only As An Excellent Technician But Also As A Great Teacher—Send For Free Catalog.

The Lewis Barber College is one of the leading concerns of this section and its patronage increases from year to year due to the modern and scientific service that is rendered the public.

The manager foreseeing the trend of the times decided to offer a most comprehensive service and established an institution that was in a class by itself by arranging to offer a service that is very scientific, stylish and modern.

They have fitted the school according to the late and modern ideas of science and the public is offered the best of service. Every electrical device and article of equipment that has been approved by the trade is here installed for the convenience of the students. Here students are trained to be thoroughly competent. Every phase of barbering is featured which gives the student a full and complete service. It is in fact a modern beauty college in all essentials.

The graduates of The Lewis Barber College have an advantage from the fact that they have an excellent standing wherever they go. Many of them are now operating their own establishments over the country and are very successful. The school gives young men an excellent opportunity to enter upon a work that is highly remunerative and very popular today.

In this review we are glad to compliment Mr. Lewis on the position he enjoys in the business world and to call the attention of the public to his ever growing fame which spreads to all parts of the country as he has patrons who come to the city especially for the work from all sections.

Guaranty Building & Loan Company

With Offices At Corner Of St. Mary's At Travis Street, San Antonio, Is The Place Where Your Money Can Earn Six Percent, Payable Quarterly, Available When Needed—Under The Direction Of Maco Stewart, President; Maco Stewart, Jr., Vice President; T. W. Massey, Cashier; Raymond Edwards, Attorney; Dr. F. J. Combe, Chairman; E. H. Kifer, Harry Landa, L. B. Clegg, Joseph Courand, Dr. W. B. Russ, J. Locke, Dr. Lee Rice, Sam C. Bennett—Make A Business Of Saving And Your Savings Will Make A Business For You.

The Guaranty Building & Loan Company is an institution that has a great influence for good over this section of the state as they are able to assist many with loans which will enable them to own their own home.

This is one of the institutions which has aided to as great an extent as any other in the up-building of the social and home life of the community. The progress of any community is dependent to a large degree upon the facilities provided for saving and thrift and in this respect this institution has proven its right to the progress and prosperity that has been its share.

Everyone does not appreciate the exact value to a community of having an institution such as this one. This institution is an important factor in the commercial and financial life of the community and is a great power for good and progress. Its success indicates the borrowing accommodations of the part of the county in which it is located.

This is one of the very essential institutions of the community. It renders a service that adds to the comfort and the success of the people. It contributes in no small measure to the progress and development of the city and county.

The officers are men of well known financial and executive ability whose admirable policies are evidenced by the progress and reliability of the institution which they so ably direct.

We wish to compliment The Guaranty Building & Loan Company upon its success and upon the admirable manner in which it aids in the growth and development of the community which it serves so faithfully.

Economy Electrical Plating Works

Located At 1213 South Flores St., San Antonio, Are Under The Able Direction Of Mr. F. Diaz, Who Features Metal Refinishing In Gold, Silver, Nickel, Copper And Brass, Brass Bed Refinishing, Plating Of Auto Parts—Mr. Diaz Has Twenty Years Of Experience.

Prompt service of the very highest order is offered the people of this section by this well known firm. No matter what problems you may have in these lines, all you have to do is to consult with them and they will be able to solve them for you to an advantage.

The Economy Electrical Plating Works have among their customers some of the leading hotels as well as wealthy residents as they do fine work. Their work represents the highest type of artistry in the plating of the period. In addition to the work locally they receive many orders from out of the city as the fame of their institution is spreading far and wide.

This plant is of great economic value to the people as their work saves the customers many dollars and the products as turned out are really better than new work.

The managers are recognized as two of the master craftsmen engaged in the metal plating business in the country. They insist that all the work turned out from the place be of the highest quality and employ men who are artists as well as workers, so that all the jobs turned out have that pride of workmanship that is typical of the product of a master. This makes their work better than new since new work is mostly done by the piece work system and is consequently turned out hurriedly.

"Perfection" and not "good enough" is their service and ability to handle the most difficult plating problems is bringing them a large patronage from the discriminating.

All of the other features of the trade are equally as well handled and every detail is given the most painstaking care. Honest and straightforward in business policies, they are prominent in the commercial world of this section and we wish to recommend them to all of our readers who may be in need of anything in this line.

ROSELAWN BURIAL PARK

Located On The Frio City Road, 1/4 Mile From The City Limits Of San Antonio, Is The Last Resting Place Of People From All Over Western Texas—It Is A Beautiful Spot Where They Offer Perpetual Care And Ever Service.

With the age of auto funerals and rapid transit the large and well cared for cemetery has taken its place in our civilization.

During the past decade the private burying ground and small unkept cemetery have fallen into desuetude and are gradually passing away. The Roselawn Burial Park has become a center for the families all over this part of the state.

The Roselawn Burial Park is of good proportions and its founders have provided for the coming generations so that families could secure ample accommodations for many years to come. It is located in a beautiful spot of picturesque country where nature has been extremely kind in her lavish distribution of natural beauty. Aside from this the management has the grounds perfectly landscape-gardened and every accommodation for perpetual care is offered to the people.

Here will be found the burial place of many of the leading families of this section of the nation. A stroll through this earthly paradise will remind future generations of the

deeds of the ancestors who build our community. This section of the state can always be proud of the fact that due attention has been given the memories of the passing years. The present generation is not to be surpassed by the men of yesterday and we provide more and more for the future. Families are secure lots and erecting suitable memorials as well as providing for perpetual care so that their deeds will be remembered through the coming years.

It is incumbent upon every family to secure a suitable lot. The Roselawn Burial Park with its excellent memorials that stand in the Rock of Ages is typical of present day civilization.

The Roselawn Burial Park will be pleased to furnish every one with a lot that is suitable and these are offered at prices that are very reasonable.

In this review we are glad to call the attention of the people to the Roselawn Burial Park and to compliment the management upon its excellent appearance at all times of the year.

BECK & HICKS

With Office And Yards At 705 Florida, San Antonio, Offers A General Construction Service That Is Aiding In The Rapid Development Of The Part Of Texas—Have Complete Equipment, Large Resources And The Experience Of Years In The Construction Problems Of The Day—They Have Paved Many Miles Of Streets In The Surrounding Territory—Feature Asphalt And Concrete Construction Of Driveways, Sidewalks, Curbing, Parking Spaces, Floors And Foundations.

In the solving of the problems of the day there is no craft that has come into prominence more in the past few years than that of general construction and in this respect we desire to refer you to this well known firm which has greatly aided in the emergency by reason of its craftsmanship and ability to grapple with the problems in this line.

Beck & Hicks have all the equipment necessary for the paving of all kinds of roads. They and their assistants understand the various forms of construction and have placed at the head of each department a man who is a master craftsman, thus assuring the public that roads and streets built by them are of the most lasting quality.

They are in touch with the sources of supply of all kinds of materials and are able to bring to any job just what is specified. The resources and business connections enable them to render this service so that the operations are not subject to any delay.

Well versed in the theoretical knowledge of modern paving they have supplemented this with a practical course in craftsmanship that

makes them masters of the trade. Employing the most competent corps of assistants and using the very best of materials, the workmanship shows for itself. They have executed many jobs throughout this and the adjoining counties both small and large and these stand as monuments to their ability. It is a well known fact that roads built by Beck & Hicks do not sag and crack with crevices, but stand as the rock of Gibraltar, as they are built for good.

Get in your car and drive out to one of their jobs and you will readily see that their work is the very best that can be obtained. Watch the men at work and see what system is in use for the expeditious handling of the job and then you will realize that the conduct of a paving business is not such an easy job.

In making this review of our onward progress of the day we are glad to call to the attention of the public the superior work of Beck & Hicks and to refer you to this well known firm when desiring the best of engineering services in the planning of road building or anything in general construction work.

THE KRUEGER IMPLEMENT CO.

Located At 1400 S. Flores St., San Antonio, Are International Harvester Co. Dealers, Featuring The McCormick-Deering Line, Aermotor Windmills, Redwood Tanks, Farm Implements Of Every Description—Have Territory For International Trucks For Hondo—An Institution That Aids In The Modernism Of Agriculture And Promoters Of Everything For Its Benefit.

The Krueger Implement Co. are promoters of modernism in agriculture and its various branches as they carry the very latest inventions of the day in labor saving machinery.

As the problem of how to make agriculture prosperous during the recent campaign was one of the prominent issues, so today we are approaching the fulfillment of a pledge made by both major parties and the industry promises to take on new life. While many have made money under adverse conditions yet with the better days ahead this section of the country will benefit from the change. The Krueger Implement Company anticipating the future are now prepared with a larger stock than ever before to look after the needs of the present farmers and those who will enter the business under the changed conditions. Many of the boys will drift back to the farm with a thorough education in mechanics and will appreciate the modern methods which are being employed and will be thoroughly competent to handle all problems as well as all the late equipment. They carry in their place mechanical equipment that makes farming easy without much help. In addition to the regular line they have many specialties for groves, orchards, gardens and in fact just about everything for the tiller of the soil whether it is a garden or a ranch.

They feature the famous International line such as the Farmall tractor, cotton picker, McCormick-Deering line, Aermotor windmills, Redwood tanks, International trucks, etc.

The International truck is made to meet all demands in many lands and has a latitude of action that can be found on no other truck. The latest addition to this line is the International Six Speed Special having two complete power ranges and will outpull, out climb and out perform any truck in its class under full load. They also have the Special Delivery 4 and 6 cylinder special trucks 1 1/4, 1 1/2 and 2 ton sizes; Heavy Duty trucks ranging from 2 1/2 to 5 tons; Motor Coaches and McCormick-Deering Industrial tractors.

They offer the best of service in the way of a full line of parts for all implements and tractors and they are furnished on a minute's notice so that there is no delay for people using their line. Men are in charge who are thoroughly familiar with all and are ready to give any advice or receive any suggestions.

In this review we are glad to compliment them upon the fact that they have always been boosters for agricultural betterments can be made to agricultural development and upon their modern machinery and excellent service and to say that there are aiding in the prosperity and development of farming in this section of the country.

Every article in this feature section is a paid advertisement.

Trumbo Paint and Upholstering Company

Located At 629 Soledad, San Antonio, Have One Of The Largest Refinishing Establishments In The Country, Featuring First Class Painting, Lacquer Work, Baked Enameling, Seat Covers, Tops, Upholstery, Fenders, Body And Curtain Work—Under The Able Direction Of Mr. Trumbo—Are Artists As Well As Artisans In Their Line.

The Trumbo Paint & Upholstering Co. has greatly prolonged the life of many a car and truck and aided in the keeping of all kinds of trucks on the move by reason of a comprehensive and rapid service.

In the fender department they offer a most complete service, taking out all dents and making the fenders look like new.

One of the features of their service that is highly important is the repairing and rebuilding of wrecked smashup may be they are able to take the remains and rebuild it so that all marks of the accident are gone and it will give as good service as ever.

During the last decade the top and upholstery business has gained

more in importance than in all the previous history of civilization. In the olden times little attention was paid to these as there were no tops for the chariots but with the advent of the buggy and the carriage they took on new significance. The auto brought them to the fullest development and today they will finish your car either in top or upholstery just as well as Fisher or any other national maker as they are in touch with the sources of supply for all kinds of materials and have made a study of all methods of construction.

They offer an excellent service in automobile painting and do the very best of work in this department. Here you will make your choice from a wide variety of the season's most

popular colors and by having them paint your car you are assured of having a distinctively beautiful car returned to you.

They offer a very complete service in woodworking and repairing and they are ready to fix anything desired in the line. They feature fine tops and enclosures for your open car that will exactly fit and for a moderate price make your car a closed job.

In this review we are glad to compliment The Trumbo Paint & Upholstering Co. for their good materials, fine workmanship, rapid service and modern style and to suggest that anyone who is in need of a new top, upholstery or repairs would do well to drive around and have a talk with them.

SAN ANTONIO CHICK HATCHERY

Located At 320 Fredericksburg Rd., San Antonio, Features Custom Hatching At Three Dollars Per Tray Of 96 Eggs—Have Excellent Line Of Baby Chicks And Offer The Best Of Service In Furnishing Chicks Of Quality And Breeding That Will Live And Thrive.

The S. A. Chick Hatchery of San Antonio has a large patronage over this part of the state and their reputation for giving the public the healthiest chicks possible is well known all over this section.

They offer a variety of strains which makes their service very complete.

The fact that the hatchery has become very popular shows that it is the economical thing to do to buy baby chicks instead of trying to operate an incubator or to raise them by the natural way. Then they can be secured in large numbers here and farmers and chicken raisers who desire to make real money can get as many as they require when they want them.

This popular hatchery has modern incubators. All chicks from pure bred flocks, most popular breeds, closely culled and tested. Place your order early for chicks or custom hatching. All are inspected.

The S. A. Chick Hatchery numbers among its customers some of the leading farmers and chicken raisers of this section of the state and the fact

that they have been successful shows that this is the best way to raise chickens. The hatching is a specialty and demands the closest attention.

They are always glad to welcome all visitors at the hatchery and here you can go and pick out the ones you want or they will send them anywhere. Their reputation stands behind all sales and they are very careful to not include any that will not ordinarily develop rapidly.

Mr. Thomason is a breed specialist as well as an expert in hatching, who has made a study of chickens for eggs, market and the show-ring. There is no phase of chicken raising with which he is not familiar and is considered one of the leading authorities in this part of the country.

In this review we are glad to compliment this farm as conducting a business that is in accord with the modern ideas in chicken raising and to say that they are aiding in the solving of the food problem and diversified farming throughout this part of the state.

DRAUGHON'S BUSINESS COLLEGE

At 212 N. Alamo, San Antonio, Is One Of The Most Modern And Progressive Educational And Business Institutions In This Section—They Offer A Most Comprehensive Course—They Specialize In Individual Instruction In Shorthand, Typing, Bookkeeping, Accounting And Special Courses—Will Furnish You With Catalogue And Information Upon Request.

This school is founded upon the idea that the highest scholarship and business efficiency can only be obtained by the modern method of specialization.

The teachers employed here represent the very latest and the very highest type of modern methods. They have made a study of the various systems used by the country's largest institutions and have thus prepared themselves most ably for the work of training the future business men and women of this part of the state.

Old and cumbersome methods and systems have all been discarded for the modern and up-to-date methods of this school. Their graduates have gone out into the business world and have been promoted over students of the old method and have in most instances received the highest remuneration for their services. The success of students is the result of the efforts on the part of the instructors who are able and efficient.

No matter what vocation or calling any boy or girl of today is going to follow they should have a course in an institution of this character in order to be able to cope with the demands of present day business efficiency.

The students of this school have made a mark in the world and if you will stop in and look over the roster of the past you will see the names of very successful people.

In the business and educational circles of this section there is no institution more worthy of extended mention than this prominent and modern school, which is a great force in the encouragement of education of the younger generation in the various courses they offer.

In this review of the onward progress of this day we desire to compliment Draughon's. The people are indeed fortunate to have a school of this character at their very door and its wonderful opportunities should be taken into consideration by all.

IDEAS FOR THE WATER GARDEN

The water garden is within the reach of anyone who desires it. One may have a tub sunk in the ground with a few well-chosen Water Lilies, or an ornamental pool with many varieties of water plants, including rare and exotic lilies. It is a matter of proper setting, desire and pocket-book.

One of the practical phases of maintaining a water garden, frequently overlooked by enthusiasts, is the necessity of providing fishes and scavengers to add ornament and interest as well as to "police" the pool. They may be kept in an aquarium indoors in winter, where they will continue to serve as interesting ornaments and will not cease

to be good housekeepers.

Many beautiful and fascinating varieties of goldfish and others are to be obtained from leading dealers in aquatic plants, with directions for their care and feeding. They will keep the pool free from mosquitoes, and are a constant attraction to observers.

Scavengers in pools filter the water and devour algae, scum and decayed matter. Some of the best of these are snails (several varieties available), turtles, salamanders, frogs and tadpoles, clams or fresh water mussels, and weather fish.

Even in the smallest pool, it is well to introduce also one or more submerged or oxygenating plants to absorb impurities and liberate oxygen in the water.

Gimble Mfg. Co.

Located At 1021 Broadway, San Antonio, Feature Potato Waffles, Potato Chips, Shoe Strings, Salted Peanuts And Are The Distributors Of Hellman's Blue Ribbon Mayonnaise—Under The Direction Of Gus Gimble.

The reputation of this section as a center for tasty foods and peppy peanuts has been greatly enhanced by the activities of The Gimble Mfg. Co.

The seasoning of food has been the subject of continuous discussion for many seasons and in many places this is finally left to the individual diner. They have taken into consideration this condition of the day and offer a line of mayonnaise that is very tasty and one can use just as much as he likes and thus have the food seasoned just to suit each individual if use is made of their line. This has brought their products great popularity.

The department for the manufacture of potato chips, potato waffles, shoe strings and salted peanuts transacts a large business as people have learned that their products are the very best that can be secured. Their purity and tasty flavors have won them an ever increasing patronage.

The Gimble Mfg. Company offer the very best of service to the public and offer delivery over the surrounding territory. They have a large trade from people over the state who stock up for the season when in the city.

In this review we are pleased to compliment The Gimble Mfg. Co. upon their choice products which are raising the standard of food and seasoning in this section of the state.

Jimmie Klein

Located At 1009 East Euclid, San Antonio, Is The Manager Of The Sun Dodge Orchestra And Has Many Students On The Saxophone, Clarinet, Trumpet And Trombone.

Through the progressive efforts of Prof. Jimmie Klein the younger generation of the state is now offered the educational advantages of any modern metropolitan city. It is not often that counties like this can boast of such an up-to-date service as this one. Not only can the young people secure a special musical training but many of them under the tutelage of Prof. Jimmie Klein become expert musicians.

Instruction here is of the very highest type and it makes no difference which instrument you choose to learn to play Jimmie Klein can make you the master of it in a comparatively short time.

Mr. Klein is the manager of the Sun Dodge orchestra which has gained fame as a master musical organization and is very popular here at home. They are called to play for various occasions and have always given a good account of themselves.

Jimmie Klein of this school is progressive, able and efficient and has built for himself and school a reputation of accomplishment and honesty and his untiring efforts merit liberal support from the people of the state.

He offers the people of the community the advantage of a modern, progressive and efficient musical training right here almost at their very door and in this Special Edition we wish to urge that this is a logical school for students of music.

King-Richter Mfg. Co.

With Office And Factory At 1001 Morales, San Antonio, Are An Important Factor In The Prosperity Of This Section Of The State

—Large Manufacturers Of The Famous Crown Pickled Products And Many Other Specialties—On

Account Of Their Perfect Bottling, Excellent Flavor And Fine Quality Have Won The Acclaim

Of Thousands—Can Be Found At All High Class Stores—Excellent

Delivery Service To The Trade.

The King-Richter Mfg. Company have won a warm place in the business life of this section of the state, as they are one of our greatest producers of prosperity.

They use local labor in the bottling and while they sell much locally, yet this is only a small part of the business. They ship to all parts of the country. All local people should demand Crown products of the stores as it aids local industry, and aids in keeping of money in local circulation.

It was Napoleon who invented and fostered canning and packing in order to feed his armies and little did he realize that he was developing an industry that would be so necessary in the ever increasing population of the world. If it were not today for the canning industry, there would not be ample food supplies in the winter seasons. The King-Richter Mfg. Co. are aiding in the performing this service to mankind, and at the same time gaining for themselves a well deserved commercial success.

The King-Richter Mfg. Company have an excellent plant and here is installed the very latest of equipment for the preparing, packing and handling of the pack. They are in a position to ship to all parts of the country and their brands of goods have a large demand among the jobbers and retailers as well as among the people. One of their best quality goods is specially prepared vinegar most pleasing to the taste.

In this review we are pleased to compliment The King-Richter Mfg. Company upon their position in the industry of the state and to call the attention of the local public to the great advantages of their industry and the popularity of their products.

A. H. Hoffman Petroleum Co.

Located At 515 Sequin Road, San Antonio, Offer The Highest Quality Of Gasoline, Oils And Greases And Service To All.

As oil won the war, so oil is winning the "Battle of San Antonio" and the A. H. Hoffman Petroleum Company is in the thick of the business struggle.

There is nothing in this age of rapid development more necessary than oil and gasoline service. They have equipped their establishment with large storage tanks and are in constant receipt of large shipments of gasoline and oils that are aiding in transportation, development, farming and in fact enter every phase of modern life. The fact that they are direct representatives of the refineries assures them of a large and constant supply.

They have equipped themselves with large tank trucks and in fact everything for the wide distribution. All calls for rush supplies to any part of the territory are met with an immediate response and as a consequence their dealers are always able to supply the demands of the hour.

They feature good gasoline and excellent oils which have attained an enviable reputation as being among the best gasoline and oils of the day. It makes no difference whether it is for the passenger car, truck or tractor you will find they have fuel that will suit your needs. They have made a study of this feature of the trade and especially of the kinds of oil demanded for this climate. If you get advice from stations featuring their products you will never have any trouble with any part of your equipment.

We are pleased to point with pride to this modern and up-to-date concern and to commend them in the class of service that they are furnishing to the people, and assure everyone that when they buy their gas and oil they will get the very best.

RUIZ BROTHERS

With Headquarters At 110 Upon St., San Antonio, Offers A Most Complete Service In Modern Upholstering And The Making Of Living Room Furniture To Order—Also Render An Unexcelled Service In Refinishing, Recaning And Repairing And Have A Large Stock Of Materials, Mohairs, Velours, Tapestries, Damasks, Etc.

With the growth of wealth and luxury in the country there is no one line of business that is gaining prestige with greater rapidity than the upholsterer and the manufacturer of living room furniture. People of yesterday did not demand the comfort that is required of the furniture of today.

The change in the furnishing of the living room from the variety of chairs used a few years ago to the over-stuffed furniture of today has been a great boon to the modern upholsterer. They have always kept the place right abreast of the times and have on hand a large stock of upholstery materials and are in a position to manufacture living room furniture to order and sell it to the people at a less price than the large furniture factories and then you can select your own material and make all harmonize with the other furnishings of the home.

They make a specialty of furniture upholstery, refinishing

work and will be pleased to give estimates free. They also make parlor suites to order. They do a large business and executes excellent work in this furniture repairing and upholstery department.

An excellent service is also offered in refinishing and now is the time to be getting this class of work done and there is no establishment better prepared to do it than Ruiz Bros. of San Antonio as this class of work is a specialty with them.

While furniture refinishing and upholstery furniture and manufacturing furniture is one which the public knows little about, it is a highly specialized business and the method of repairing and rebuilding has improved with rapid strides and as a consequence is an intensely interesting enterprise.

They are to be compliment upon the distinctive and economic position the place and upholstery occupies in the life of the people and we desire

to refer the place to all of our readers.

M. O. GJESTVANG

With Offices At 547 Hicks St., San Antonio, Features Modern Ideas In Construction And Has Completed Some Of The Most Artistic Homes And Buildings In This Section Of The State—His Work Will Stand As A Contribution To The Architecture Of Texas—He Also Features Remodeling And Repairs.

M. O. Gjestvang features a most modern service and is thoroughly competent to solve all your building problems for you. He is a thoroughly practical man at the business and received the training through study and practical experience.

In addition to this he keeps thoroughly abreast of the changing times by wide reading of the new and approved methods in building as well as in the styles of the architecture of the day. He employs men who are workmen of the ability and this coupled with the use of the best of materials gives the jobs a caste of class. No matter what kind of work it may be that you desire accomplished, big or little, he will give you the best of service at reasonable prices.

He is in a position to render rapid service in all kinds of modern homes as he has at his command materials of all kinds, equipment, experts to handle all phases of modern building.

He is known for the planning of buildings that are very well built and great care is taken by him in all the finer details of modern building.

All work is performed according to the rules of the building codes, the underwriters and in accordance with modern ideas.

The management has made a study of modern construction as well as the prevailing styles of architecture of the period and is able to give valuable suggestions on methods of construction of buildings as well as styles that are of great assistance to anyone desiring to build.

Mr. Gjestvang of San Antonio has always worked in the interest of the home community while securing for himself the well merited commercial success that the large volume of business evidences. He is well and favorably known throughout the section and highly esteemed throughout the business and social world. He knows the needs of the people and produces every modern and scientific improvement at the establishment, efficient and courteous service in the office and thus is as all will admit deserving of the prominent position which is held in the commercial and business life of the community.

JONES AUTO CO.

Located At 121 Ninth, San Antonio, Is The Headquarters For High Grade Used Autos In This Part Of Texas And Have Some Late Models—All Cars In Good Condition—It Is Well To Buy A Used Car Of A Local Concern And You Then Will Know Exactly What You Are Getting—Under The Direction Of Mr. Jones, Whose Place Is Open At Night And On Sundays.

That there is no one in this part of the country who has given closer study to the demands of the present day than this well known establishment is evidenced by the popularity that their progressive and latter day policies have won.

As is quite proper, this well known firm has arranged to see that their cars are afforded the very best of service and all persons get really good values at this progressive auto establishment. Personal attention is rendered in each case and every patron is assured of courteous treatment and efficient service.

There is quite a difference between "old automobiles" and "used cars." At this establishment you will find high grade used cars that are of standard make and models and can be purchased at most attractive prices.

One of the chief reasons for their success is that they have given the public credit for intelligence and have respected it in them by only offering good bargains for their money

and only selling used cars in a way that will cause them to be highly spoken of by their customers. They have followed this policy in San Antonio for the past many years and it has gained them success and friends.

A feature of their establishment that makes this a safe place to buy a new or used car is the fact that they have a very complete service department which is equipped to completely rebuild a car in first class style and after an auto has gone through this department you can rest assured that it will be in the very best of condition.

Mr. Jones always takes an active interest in the progress and development of the home community, being ready and willing at all times to lend personal assistance to all propositions that promised public improvement.

DO THEY STILL "SUNDAY?"

A two-line item in one of the country correspondents' notes was that Bill Jones and family Sundayed at Herm Smith's. Which brings up the query if they still "Sunday" in the country. In the old days they "Sundayed." The entire family spent the day at the neighbor's and while the women folks cooked the big dinner, the men stood about the barnyard and talked and greeted the passers-by and the kids played hide-and-seek or ran off to go swimmin' in the creek. And it was near dark before everyone was rounded up for the trip home in the wagon. Those were days of sociability and the Sunday visits were looked forward to by the women especially as one of the means to become better acquainted with the news of the neighborhood. Nowadays with the rural telephone, the daily newspapers and the daily trip to town in the car, the primary purposes of the Sunday visits are done away with and although the farmers still visit of course the old time Sunday visits are probably over.

The Texas Petroleum Company

Are The Manufacturers Of "Sterling" Quality Gasoline, Kerosene, Greases And Lubricating Oils Which Are Noted For Quality, Service, Dependability And Economy—Offer Service Stations An Excellent Service In Their Famous Sterling Gasoline, Oils And Greases Which Are Refined From Texas Oil And The Best That Money Can Buy—An Institution That Has Aided In The Development Of Our Natural Resources And Has Brought Wealth Here From Many Lands—Products Should Be Favorites Of The Local Public—Under Able Management Which Is Bringing The "Sterling" Products Into Great Popularity.

The Texas Petroleum Company is one of the most complete and well rounded units in the industry which produces, refines, exports, wholesales oil, gasoline and greases which come from oil from our own state.

It is a producer of wealth for Texas as here is secured the oil. The money spent in refining is paid out in payrolls, the distribution requires many workers and in fact every part of the business from the prospector to the office girl is transacted locally, while much of the income of the corporation comes from foreign parts, thus bringing trade activity and prosperity.

In the wholesale department they offer service stations the most accurate and commodating service in the way of tank truck delivery and immediate attention is given to all orders. Regular customers are called on by their large trucks and their tanks kept filled at all times so that there is no interruption in their service.

They have equipped themselves in the most modern manner with large tank trucks and in fact everything for the wide distribution. All calls for rush supplies to any part of the territory are met with an immediate response and as a consequence their dealers are always able to supply the

demands of the hour.

The Texas Petroleum Co. feature the famous "Sterling" products which have attained an enviable reputation as being among the highest: test gasoline and oil of the day. It makes no difference whether it is for the passenger car, truck or tractor you will find they have fuel that will suit your needs. They have made a study of this feature of the trade and especially of the kinds of oil demanded for this climate. If you get advice from them you will know that your equipment is properly lubricated.

The Sterling gasoline, oil and

greases are recognized as the very highest products that are turned out from any refinery of the period. They use the very latest processes and refine to a very high standard. This accounts for their large trade and patronage among local people, who are often critical of local products.

Amalie oil is refined from 100 percent pure Pennsylvania crude. It is the speed oil for Fords. Amalie heavy actually exceeds the specifications of Ford engineers for Model A lubrication, meeting every requirement and demonstrating its fitness absolutely.

You can order Amalie oil for your

new Ford with full assurance that it will give perfect lubrication under every condition and that it will give you a full 500 miles without adding oil.

It can readily be seen that thousands of dollars are placed in local circulation by this company which otherwise would never make acquaintance with the people of this section. The large scale of their activities, the industrial wisdom of the management and the straightforwardness of their dealings have won a place for them in the hearts of the people of the community and many patrons in other sections. They and

their associates are prominent citizens of the community, identified for years with her progress, and always boosting for the community in which their enterprise is located.

In this review we are pleased to compliment The Texas Petroleum Company upon the part they are playing in the speeding up of work on the farm as well as transportation and motoring, and to refer them to all our readers.

JAS. E. DECKER & SONS CO.

At 114 Blue Star, San Antonio, Are Distributors Of Food Products Of Purity, Quality And Freshness—Decker's Braunschweiger Sausage Is Excellent For Warm Weather And Very Popular With Stores And Housewives Over This Part Of The State.

This local packing house is essential to the growth of the community. It pays the highest market prices to the farmers. It is operated by a dependable and efficient staff. It provides a necessary service in supplying at the best prices the meat specialties and sausage. The public thus is assured of wholesome food specialties right here at home and of the very highest grade. Thus, this institution merits your consideration and the liberal support both of the farmers and the public.

While their sausage and meat specialties are on sale locally over this part nearly yet this is but a small part of the business. Here at home the products are very popular and endorsed by discriminating people. This, however, is only a small part of the business as they ship to all parts of the country where their products find a large and ready sale.

People should always demand Decker brands as they are a local product and of superior flavor. They are as reasonable in price as any other. The grocers and delicatessens are always able to secure them as this

firm renders rapid delivery and their trucks can be seen all over this part of the state in the delivery of their choice products.

They feature Decker's Braunschweiger and they say: "More liver in the diet—so say leading medical authorities. But perhaps you prefer liver in disguised form. Then try this simple and delicious way of getting it—serve Decker's Braunschweiger Sausage. Truly a sausage de luxe—fine in texture, mild in flavor, yet seasoned to just the right zest."

For the Sunday night supper, the in-between snack, the bridge luncheon, introduce this quickly served, appetizing dish.

All dealers in quality meats can supply you with Decker's Braunschweiger sausage. Look for the Decker imprint on the product itself. It identifies the genuine and if you haven't tried Decker's new vacuum-cooked foods, there's another treat ahead."

The success has been marked and is the result of their high grade goods and the fact that they have always asked fair prices and give the best of service.

TUCKER COFFEE COMPANY

Located At 424 Ruiz St., San Antonio, Is The Distributor Of The Highest Grades Of Tea And Coffee Which Are Rich In Fragrance, Aroma And Flavor—Their Teas And Coffees Are Kept Right And Sold Right And They Have Always Given Their Patrons The Best Of Service—They Feature The Famous "Aviation" Coffee—Under The Direction Of Mr. A. B. Walker, Formerly In The Wholesale Grocery Business And Well Known In Southwest Texas.

This is an institution that is enjoying a large patronage on account of the very excellent service they are giving the public in their especial field of endeavor.

The coffees sold by this concern are imported from the best fields of South America and the far-away isles of Java and Mocha, and when you get their coffee it has the aroma of the tropics. The management secures coffee from the largest importers in the country, and being an excellent judge of coffee is a discriminating buyer.

The tea and coffee house is becoming one of the necessary establishments in the business life of every well-organized city, as people generally have come to realize that it takes a person who has had much experience in this especial line to be able to buy good tea and coffee.

If you have never ordered coffee from this concern you should give it a

trial as you are missing one of the means to the proper enjoyment of the perfect meal. They are of our leading business men who are conducting an establishment that adds to the efficiency of the town as a trading center.

This tea and coffee business is the most extensive in this section of the country, and their coffees and teas are found wherever high grade products are used.

There are no more public spirited citizens in the community than the manager of this well known establishment and in making this review of the onward progress of this section of the state we wish to compliment them and to direct your attention to this establishment as one of the reliable business institutions of the community which has added to the development and progress of this part of the state.

MILAM CAFETERIA

Located In Milam Bldg., San Antonio, Is Excellently Appointed And Offers Its Patrons A Wide Variety Of The Best Foods, Splendidly Prepared—Those Who Appreciate The Best Of Food Eat At The Milam Cafeteria—Mr. V. A. Harrison Whose Motto Is "Home Is Our Only Competitor," Is The Manager.

The Milam Cafeteria is fortunate in having at its head a man of much experience in the restaurant field and who is making this one of the leading cafeterias in this section.

This cafeteria is a center for traveling public and has taken a prominent place in the social and business life of this section.

Mr. Harrison personally sees that the people of this part of the country are not only given the choicest of foods but the latest dishes of the day and that the best of service is always given regardless of the size of the order. They have provided the very latest of equipment in the kitchens so that all foods are in the very best of condition and appetizing when served to the guests. They are careful buyers and only employ the best of cooks, while the attendants are courteous and accommodating and render the public a service that is unexcelled.

Here you walk past the most appetizing of dishes and you can make your own selection of foods and get just exactly what you want.

A quiet air of refinement pervades the place and this accounts for the large patronage from all classes of people. This makes this concern very popular and has brought travelers and people from the surrounding countryside to recognize this as one of their truly favorite eating places. The fact that everyone leaves with a smile is an indication of the satisfaction obtained from pure food, good and accommodating service.

It is appointed most excellently, the ventilating and lighting arrangements are the best that can be secured and all sanitary precautions are taken for the health of the people. Here amidst comfortable surroundings you enjoy your food and while the service is rapid for those desiring it, yet there is no indication of hurry and you are given all the time desired.

In making this review of the progress of the period we are glad to compliment Mr. Harrison upon the popularity of his cafeteria and upon the position it occupies in the life of the people.

Household Furniture Company

At 232 West Commerce Street, San Antonio, Offer A Complete Line Of Furniture And The New Home Sewing Machines—Will Deliver By Truck To Your Door—The New Home Is Trouble-Proof, Durable And Easy To Use.

The Household Furniture Co. are offering the ladies of this section an excellent selection of their famous machines and are transacting a large business over all the surrounding territory.

They have a very complete stock of machines and feature all models. You can secure the electric, the regular machines or the hand machines. These are all of the very best type and have on them the very latest inventions. Full equipment for all kinds of fancy sewing are furnished to those that desire them.

They will be glad to exchange the latest model for any machine you may have and will give you most any terms that you desire. All you have to do is drop them a line and they will give you a demonstration on the latest machines of the day. It is bad economics to worry around with an old machine when the new ones will give excellent service with much less effort.

When they first started in business they decided that the best would be none too good for their customers, and they have conducted their large establishment on this policy ever since. They are prepared to furnish your home completely and their stock includes the moderate or the more expensive designs, whichever you desire. They can furnish you a setting of any period and their ability to fit you in the furniture line is only limited by the various styles turned out by the American manufacturer today. If you are contemplating the furnishing of a room completely or if it is only one or two pieces that you want you will be able to find the right thing here.

In this review we are pleased to compliment The Household Furniture Company upon the part they are playing in making sewing easy by offering the latest type machines of the age.

Lange's Ancona Hatchery

Located At 300 East White Avenue, San Antonio, Brings Much Trade Activity To San Antonio As They Supply People In This Part Of The Country With Baby Chicks—All Their Baby Chicks Are Healthy And They Offer The People The Best Of Service—An Institution That Has Prospered Under The Personal Direction Of Mr. Lange—Features The One Quality "Ancona" Breed, Produced In Their Own Plant.

This is one of the institutions that has materially aided in the development of this section of the state and has especially been instrumental in aiding the progress of modern poultry raising in this community. They furnish the poultryman with quality baby chicks and therefore operate an institution of great economical value to the public.

One of the recognized principles of poultry raising along scientific lines today is the raising of hardy breeds of chickens. It is because of the excellent service and the desirable chicks afforded by such houses as that operated by this well known firm that this feature is receiving more attention from the farmer of today and progress along this line is particularly noticeable in this community.

Lange's Ancona Hatchery of San Antonio is equipped with the very best of incubators and brooders and great care is taken with the chicks to see that they are in the very best of condition before being sent out. People who have bought here have had excellent success and they can refer anyone who doubts to numerous successful chicken raisers.

Their service is most modern and progressive and whether your business with them amounts to hundreds of dollars or just a small amount, the patron always receives the same courteous and efficient service.

We are pleased to compliment them and to give them in this review the prominent position that the progressive and reliable policies have merited.

COLGLAZIER & HOFF

With Office At 125 Crosby, San Antonio, Offer An Excellent Service In Cement And Paving Contracting—Are Builders Of Sidewalks, Curbs, Driveways And Roads—Have Large Storage Facilities And The Latest Of Equipment—Ample Resources For The Carrying Out Of All Contracts—Are A Great Aid To The Progress Of Good Roads.

In the road contracting field of this section there is no one organization which has been of greater importance and aid than Colglazier & Hoff.

They are a large concern and have ample storage facilities for the keeping of a large supply of material on hand at all times and this enables them to render immediate service on contracts large and small.

They have equipped themselves with the very latest of machinery for the expeditious handling of the work and in their employ are men who thoroughly understand construction work in all its phases. They put a large force on the job and the work is completed in a very short time.

Whenever you go out for a drive you will be riding over their work and it is well to pause when you come to their construction and look at the rapid work.

With a broad vision of our future development, the management and assistants have built not only for the present but for the years to come and when the population of this part of the state has doubled we predict that this concern will continue to run one of the best conducted, best

equipped and most satisfactory of our commercial and industrial assets, rendering a service that is at the same time comprehensive and complete, at a rate so reasonable that then as now people will marvel at the success of the management in continually adding new improvements.

The management are of the well known men of the community; in the development of the company's business here they have given personal attention to the maintenance of efficiency in every branch of the service. They are courteous and active, rendering the public the best of service.

In conclusion, however, we wish to state that the management and assistants have taken a commendable interest in all propositions that furthered public improvements and that they have been willing and anxious to aid in the expansion and growth of the community at all times. Therefore it has merited the popularity and liberal support that is received and we predict that when each town in the community has become a famous metropolis this concern will continue to minister to our paving needs in the same admirable manner.

THE MEASURE OF A MAN

Not—"How did he die?"
But—"How did he live?"
Not—"What did he gain?"
But—"What did he give?"
These are the units
To measure the worth
Of a man, as a man,
Not—"What was his station?"

But—"Had he a heart?"
And—"How did he play
His God-given part?"
Was he ever ready
With a word of good cheer,
To bring back a smile,
To banish a tear?"
Not—"What was his church?"
Nor—"What was his creed?"
But—"Had he befriended?"

Every article in this feature section is a paid advertisement.

HAYE

Located At 607 Essex, San Antonio, Feature Expert House Moving And Raising And Have Every Modern Facility—No Problem Too Difficult—Mr. Haye Is The Oldest House Mover In San Antonio.

This is one of the most modern day services in this part of the country and has a reputation for turning out work of class, for the reasonableness of its charges and for getting it done when promised. Upon these lines they have built up the business to its present high standard.

Their establishment is equipped in the most modern style for the various phases of the business. They have complete equipment for the moving of all kinds of buildings including frame and stucco and are continually adding to the place as new inventions come out so that the place is kept at all times strictly up-to-the-minute. In their employ are men who understand what they are about and as a consequence the accuracy and efficiency with which work is completed is the admiration and comment of customers from far and near who patronize the place.

The manager is considered one of the leaders in this part of the state and has had contracts on some of the largest business buildings. Their work has always passed the inspection of the state inspectors and architects and thus meets all requirements.

The fact that this service is so comprehensive is a great convenience to the public for no matter what you may desire you do not have to run around from place to place to have the work completed, but can just call them over the phone.

In making this review of the progress of the period we desire to refer this establishment to our readers as one that meets the peoples' demands no matter what they may be in their lines and to say that the reputation of the past has been maintained and to refer it to all our readers.

Lundeen's Silk Shop

Located At 219 Alamo, San Antonio, Features An Excellent Stock Of Silks Of The Best Quality And Sold At Reasonable Prices—You Are Sure Of Getting The Best And Most Recent Styles At The Lowest Prices—Mr. Lundeen Is Very Well Known As An Authority In This Line And An Expert Buyer, Which Means Lower Prices To The Consumer.

Lundeen's Silk Shop occupies a secure economic position in the lives of the ladies, misses and children in this section of the state as those trading here can wear the very latest styles at prices that are a great saving.

They specialize in yard goods and silks of all shades. They carry a large stock and keep it right abreast of the times and in accord with the seasons. They secure the very latest in the designs of the day in goods which can be made up in the newest creations of style. They keep in touch with everything new and have it as soon as it appears in any of the stores in the country. No matter whether you want yard goods for several dresses or just want to match something you will find that they will give you exactly what you want.

The sales people have excellent ideas and with their lines of merchandise and ideas can assist anyone in the selection of garments, tell you the styles in which the materials will make up to look good and render every assistance to the purchaser.

The fact that their stock is so complete makes it easy for the ladies to make selections of stylish prints which are in advance in mode. This service enables them to have frocks for morning, afternoon and evening wear at practically the price of one garment.

In making this review of our progress we cannot fail to compliment them as an elemental factor in social, economic and business life of the people of the community.

THE FIRST NATIONAL BANK
There is No Substitute for Safety.

The Anvil Herald office was favored by a fraternal visit Tuesday morning by one of the most popular and best loved members of the Texas press, J. H. Lowery, of Honey Grove. Mr. Lowery was the editor of the Honey Grove Signal for almost forty years, but retired from active work on the paper some months ago and is now playing around at such things as please him and as the spirit moves him. He came down here to sell us a magazine feature service which he has been selling to other Texas papers and which is very popular—largely because he himself writes much of its copy. But he accidentally read this editor's rhyme about Dogwood Blooms and straightway the spirit moved him to turn back to Honey Grove and take a hike out to the dogwood environs of that vicinity and we wanted to go with him!

This office was favored by a call Saturday from H. L. Gantz, Field Editor of Farm and Ranch, Dallas, Texas. Mr. Gantz was out looking for material for feature articles for Farm and Ranch and found much in this section of interest, but had to hurry on as he has a wide territory to cover. He hopes to visit this section again at some future time and our favored section should receive some valuable publicity through his work and the great paper he represents.

If you are not lucky to have natural curly hair, let us permanently wave your hair, which may then be dressed in any desired style, nearest to natural waves. Our price includes shampooing and wave setting. No burnt hair or scalp. Price \$8.00 to \$12.50. Ladies' Beauty Shoppe.

Maybe You've Been Missing Something

BEEN BUYING OTHER TIRES BECAUSE YOU HAD AN IDEA THAT GOODYEARS, BECAUSE THEY'RE SO MUCH BETTER, MUST, THEREFORE BE HIGHER-PRICED?

OR BECAUSE YOU'RE TRADING IN YOUR CAR SOON—OR DRIVE LESS THAN OTHER PEOPLE DO—AND FEEL YOU DON'T NEED SUCH EXCEPTIONALLY LONG-MILEAGE TIRES AS GOODYEAR ALL-WEATHERS AND DOUBLE EAGLES?

TOO BAD—IF YOU HAVE.

FIRST, IT COSTS NO MORE TO BUY GOODYEARS, GRADE FOR GRADE. SECOND, GOODYEAR ALSO BUILDS LOW-PRICE TIRES.

FOR EXAMPLE—

Here's a low-price Goodyear that's superior to many makers' best grade tires. But it is quoted at about catalog house prices. Carries Goodyear's standard lifetime guarantee. A big, husky, full oversize tire with wide, tough, non-skid tread. Come in and see it!

GOOD YEAR

New Improved Pathfinder Tread
SUPERTWIST CORD TIRES

Our year round, on-the-ground service helps you to get the satisfaction which Goodyear builds into all its tires.

LACOSTE LEDGERETS

From LaCoste Ledger

Misses Margaret Gross and Velma Keller were hostesses Wednesday evening at a party at the home of Mr. and Mrs. Louis Gross, honoring Misses Cornelia O. Biediger and F. Dorothy Jungman, June Graduates of St. Mary's High School.

Mr. and Mrs. Fred Loucks and Mrs. Hugo Breiten from El Paso arrived here on the limited Monday noon and spent the evening here with Mr. and Mrs. J. O. Droitecourt. Mrs. Breiten remained here for a several days visit while Mr. and Mrs. Loucks left in the evening for Houston, where they will attend the Southwestern States Convention of the Brotherhood of Locomotive Firemen and Enginemen.

MISCELLANEOUS SHOWER.

On Sunday afternoon, May 19th, Miss Laura Santele and Mrs. R. D. Bippert entertained a number of their friends with a miscellaneous shower at the home of Mrs. Wm. Santele in honor of Mrs. Elton Breiten, a bride of this month.

Upon the arrival of the bride the guests were led into the parlor which was neatly decorated in pink and white. About 3:00 o'clock a game was played in which Miss Josephine Breiten won first prize. Mrs. Oscar Kauffman, second and booby went to Miss Elsie Koenig. After the game a basket decorated in pink and white, which was filled with many useful and beautiful presents was presented the bride by Misses Paula and Augusta Bippert.

Refreshments such as sandwiches, cake and punch were served to: Mesdames Frank Loessberg, R. Loessberg, C. S. Hellums, Oscar Kauffman, L. S. Loessberg, Elsie Owens, John Haby, James Montague, William Santele, William Bippert, Christina Weber, W. I. Davis, Misses Josephine Breiten, Elsie and Lenora Koenig, Lenora and Medora Tschirhart, Alma Bippert, Olga and Helen Geiger, Meda Haass, Rosa and Meda Reus, Christina Taylor, Clara and Hilda Santele, Gertrude Loessberg and Lorine Koch and the honoree and hostesses.

DIED.

Mr. Wm. A. F. Vogt of Macdona died at his home Sunday, May 19th at 12:00 o'clock noon, and was buried Monday evening, May 20th at 5:00 o'clock in the O. D. H. S. Cemetery Anker Lodge 198 at Macdona. Rev. Knicker of Converse, Texas officiating.

Mr. Vogt was a native of New Braunfels, Comal County, and was the son of William and Johanna Vogt. He was born on May 10, 1855 and had attained the age of 74 years and four days at the time of his demise. He had been ill for several weeks previous to his death but was recovering from said illness and was up and about and was taking to his son-in-law until a few minutes before he passed away, and never complained of feeling ill.

The commencement exercises of LaCoste High School were held in the school auditorium Tuesday evening, May 16, 1929, at 8:00 o'clock.

Last Sunday, May 19th, 1929, a family basket picnic was given at Paul Koenig's Pecan Grove below LaCoste in honor of Mrs. Alfred Job and little son Kermit, who are here from San Francisco, California on a visit to Mrs. Job's parents, Mr. and Mrs. Fritz Tuerpe, of Benton, and who will return to their home again the latter part of this month.

Miss Alma Jungman of San Antonio, who took seriously ill some two weeks ago, was brought to her parents home here last week, where she will remain until she is able to resume her duties with the Public Service Co.

Mrs. Wm. Jungman and daughter, Miss Dorothy, were visiting Mr. and Mrs. Wm. Burell and family last Saturday. They were accompanied home by Allen Marie and Mabel Burell, who spent Sunday here.

The seventh grade pupils of LaCoste High School attended the Graduating Exercises of the Grammar School of Medina County at the Hondo High School Auditorium last Friday. Those graduating from grammar school to high school from here were: Ella Reicherzer, Paula Bippert, Hilda Santele, Laura Geiger and Adolph H. Ahr, Jr.

Mr. and Mrs. George Kunze and family, Mr. and Mrs. Otto Jungman and daughter, Hazel, and Miss Lena Geiger from here, Mr. and Mrs. M. A. Mechler from the Sauz were over at Quibi for the big Pentecost dance Sunday night and reported an enjoyable time.

NOTICE OF SHERIFF'S SALE.

STATE OF TEXAS.

COUNTY OF MEDINA.

By virtue of an execution and order of sale issued out of the Honorable District Court of Bexar County, 73rd Judicial District of Texas, on the 23rd day of April, 1929, by the Clerk thereof, in the case of SAN ANTONIO SUBURBAN IRRIGATED FARMS vs. A. T. STEWART, and ELIZABETH STEWART, No. B-50441, and to me as Sheriff directed and delivered, I will proceed to sell, to the highest bidder for cash, between the hours of 10 o'clock a. m.

and 4 o'clock p. m. on Tuesday, June 4th, 1929, same being the first Tuesday of said month, before the Court House Door of Medina County, in Hondo, Texas, the following described property:

FIRST TRACT: Lot 32-A, Block 5, of the subdivision of lands owned by the Trustees of the San Antonio Trust in Medina County, Texas, as shown by the map or plat thereof duly recorded in the records of said County, the said tract of land containing 40 acres, more or less.

SECOND TRACT: Lot 35-A, Block 5, Unit No. 1, of the subdivision of lands owned by the Trustees of the San Antonio Trust in Medina County, Texas, as shown by the map or plat thereof duly recorded in the records of said county, the said tract of land containing 32.42 acres, more or less.

Levied on the 6th day of May, 1929; and said "First Tract" to be sold to satisfy a judgment dated October 26, 1928, recorded in the Minutes of said court in Volume 23, pages 226-9, in favor of San Antonio Suburban Irrigated Farms, against A. T. Stewart, for the sum of \$6212.88, with six per cent per annum interest thereon from date of judgment until paid and the costs of suit and the further costs of sale, together with a foreclosure of a vendor's lien on said "First Tract", as said lien existed on February 8, 1927, against the defendants, A. T. Stewart and Elizabeth Stewart. Said "Second Tract" is to be sold to satisfy a judgment dated October 26, 1928, recorded in the Minutes of said court in Volume 23, pages 226-9, in favor of the San Antonio Suburban Irrigated Farms, against A. T. Stewart, for the sum of \$5596.50, with six per cent per annum interest thereon from the date of judgment until paid, and the costs of suit and the further costs of sale, together with a foreclosure of a vendor's lien on the said "Second Tract" as said lien existed on February 8, 1927, against the defendants, A. T. Stewart and Mrs. Elizabeth Stewart.

Given under my hand, this 6th day of May, 1929.

CHAS. J. SCHUEHLE,

Sheriff of Medina County, Tex.

EARLY ROOSTING.

By Mrs. Irvin Pickle.

In order to prevent chicks from crowding and becoming over heated or smothered, they should be encouraged to go on roost poles as early as possible. Crowding and smothering may not cause high mortality, but their growth will be checked and they will not develop into as fine specimens as they will when made to roost early.

Two or four inch boards are suitable for chick roosts as they are wide enough for the chick to sit on rather than perch. Inclined roosts are best.

TWO GIRLS LIVE ON HOT WATER AND RICE.

Due to stomach trouble, Miss A. H. and sister lived on hot water and rice. Now they eat anything and feel fine, they say, since taking Adlerika.

Even the FIRST spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.

To Put On

needed flesh—to enrich the blood—take Dr. Pierce's Golden Medical Discovery. By restoring the normal action of the stomach and other deranged organs and functions, it builds the flesh up to a safe and healthy standard—promptly, pleasantly and naturally. The weak, emaciated, thin, pale and puny, are made strong, plump, round, rosy and robust, also pimples and blotches are driven away.

Read this comment:—"I was all rundown from having indigestion, nothing I ate agreed with me, just felt like a lump, would not digest, and caused me a lot of distress. I took Dr. Pierce's Golden Medical Discovery and have had no trouble with my stomach since. I can eat anything I wish, and my general health is better."—Arnold Hanson, 407 W. Chactaw St., Oklahoma City. All druggists.

Free Proof!

Millions know the quick relief for biliousness, dizziness, bad breath, etc., which only Dodson's Liver-Tone brings. This marvelous discovery does more than any laxative you've known. It's a real stimulant for biliary liver and bowels. It regulates these organs, makes them vigorous, normal, active. You don't have to keep dosing yourself. We'll send a FREE bottle to prove it. Just write Sterling Products, Wheeling, W. Va.

Read this comment:—"I was all rundown from having indigestion, nothing I ate agreed with me, just felt like a lump, would not digest, and caused me a lot of distress. I took Dr. Pierce's Golden Medical Discovery and have had no trouble with my stomach since. I can eat anything I wish, and my general health is better."—Arnold Hanson, 407 W. Chactaw St., Oklahoma City. All druggists.

Send 10c for trial pkg. to Dr. Pierce's Invalids Hotel, Buffalo, N. Y.

NEVER wait to see if a headache will "wear off." Why suffer when there's Bayer Aspirin? with the first one about eight inches above the floor. Underline the roosts with small mesh poultry wire to keep the chicks from falling under or crowding together on the floor under the roosts. These roosts may be constructed along the back and sides of the colony houses.

FOR SALE.

A 483-acre farm, 140 acres in cultivation, 60 more tillable, two houses and a good well, located at Biry. For terms and price apply to Ben Haby, Dunlay, Texas. 21tf

PREACHES TO FRIENDS THE GOOD SARGON DID

"Since taking Sargon I have felt in better health than in the last five years.

"My stomach was in such an upset condition that most everything I ate soured instead of digesting properly. I would have such bloating pains after each meal that I hated to eat. About twelve years ago I had a fall, injuring my hip and knee, and I have been troubled with rheumatism in my joints ever since.

MRS. LULA E. PETERSON

"An inactive liver caused me to be constipated and I was continually taking laxatives. I had many a restless night from all this suffering and would be as tired in the mornings as though I had never gone to bed. Nothing I took helped me.

"Sargon made me feel like a different woman. My appetite has come back and I enjoy my meals. My stomach is soothed and my digestion improved so I don't suffer bad effects after eating. The rheumatism disappeared and I rest much better at night. I get up in the morning feeling refreshed and full of life and energy.

"Sargon Soft Mass Pills toned up my liver and rid me of constipation in a natural manner. My whole system is reconditioned and filled with new health.

"Sargon has helped me so remarkably that I am preaching to all my friends about its benefits and will continue to praise this wonderful medicine every chance I get."

The above statement was made recently by Mrs. Lula E. Peterson, highly respected resident of 7814 Sherman St., Houston. Mrs. Peterson is a member of the Royal Neighbors Society and also belongs to the Baptist Church.

Sargon may be obtained in Hondo from W. H. Windrow, in Castroville from Castroville Drug Co., in Devine from Howard Drug Co., in LaCoste from LaCoste Drug Co. and in D' Hanis from Windrow Drug Store.

Our D'Hanis Page

A round-up of Local, Personal and Business Items gathered weekly by our regular Correspondent

Miss Viola Koch

To whom all items intended for this page should be handed not later than Wednesday noon of each week. Miss Koch is authorized to collect and receipt for money due this paper.

SOCIAL CLUB.

Members of the Social Club assembled Tuesday afternoon of last week to enjoy the hospitality dispensed by Mrs. O. J. Reinhart at her home.

Those participating in the games of 42 were: Mesdames M. A. Zinsmeyer, Oscar Rothe, W. E. Albrecht, Matt Koch, E. A. Rothe, Ben Koch, H. L. Muennink, Louis Carle, Jr., Reily Carle, Misses Lucy Rothe, Agnes Rothe, Nettie Rieber and Josie Rothe.

The prizes for high and low tallies were won by Miss Josie Rothe and Mrs. Albrecht, respectively. Mrs. Matt Koch received the cut prize, a novelty flower bowl.

A pleasing salad course closed the afternoon.

ST. ANTHONY'S SCHOOL CLOSSES.

Entertaining and educational was the program rendered by the pupils

of the Parochial School on Friday evening, May 24. "Virginia's New Car," a four-act play, was enjoyed by a large audience.

The stage was transformed into a veritable garden for the playlet "A Wise Decision," given by the 7th grade.

The eight members of this class receiving grammar school certificates were: Lorine Zinsmeyer, Bernice Carle, Verene Finger, Hattie Brown, Armine Fohn, Francis Koch, Elmer Koch and Casper Rohrbach.

The music pupils of the school were presented in recital by their teacher on Sunday morning.

Every German-language speaking family should have a German newspaper. The Freie Presse fuer Texas is the only Semi-Weekly newspaper printed in the German language published in Texas. It is sold at the low price of \$3.00 per year and by re-mitting for it, either new or renewal subscription, through this office you can get both the Freie Presse and Farming a whole year for the price of the Freie Presse alone. Send your \$3 00 today to Farming, Hondo, Texas.

Mrs. L. J. Brucks and daughter, Miss Lillian, will leave today for Austin to attend the Commencement exercises of the University of Texas. Miss Bess Brucks will receive her Bachelor of Arts degree.

George Carle has installed a fine new and modern equipped fountain at his confectionery and is making extensive improvements at his place. When finished he will have a plant second to few anywhere.

Men, ladies and children, it pays to look your best. So try a hair-cut at the Hotel Armstrong Barber Shop. Haircut 35c, shave 20c. Your patronage appreciated. Leo F. Laake, proprietor. 45-tf

Hilmer Haegelin was home this week from A. & M. College on a visit to his parents. Hilmer receives his B. S. Degree in Agricultural Administration at the close of the present term.

Mr. and Mrs. J. B. Holloway arrived here Monday from LaGrange and will spend a month here visiting their children, Messrs. Tom, Will and Leslie Holloway and Mrs. H. J. Meyer.
